Vernon F. Ducote
State Deputy
 s1523@eatel.net

What a wonderful first couple of months it has been as your State Deputy. I have been traveling throughout the state and have attended many functions. It is great to be out and about with the councils and members throughout the state and sharing many wonderful meals (and the fellowship that goes along with them).

In July, we got off to a great start with our two KCLS meetings where we presented leadership of the Councils with valuable information regarding membership and our upcoming programs this year. I'd like to thank all that attended to receive this information about how to be successful in both of these aspects this year. If you didn't attend this year or in recent years, I hope you attend the next one to see how things have changed from past KCLSs.

In early August, I, the delegates for the state, the State Officers, and numerous other brother Knights and their wives attended the Supreme Convention which was in Orlando this year. As always, the Louisiana hospitality room was quite the popular one with attendees from across the world as could be surmised by the line down the hotel's hallway. I encourage all to attend a Supreme Convention one day and share in the experience.

We are off to a good start regarding membership. At this time, we are number seven in the world regarding membership intake. I know, that with your hard work regarding recruiting new members, we will soon be number one! We all have a responsibility to recruit new members and to ensure that each and every practical Catholic male has the opportunity to experience this great organization and to contribute to all of its works. After recruiting, we need to ensure this new prospect makes it to a First degree and then, subsequently, a Second and Third degree. These degrees schedules can be found on our state website.

Our state programs have started with a bang this year. Our horseshoe tournament brought in 131 participants. Our golf and nine ball tournaments are just around the corner and we hope to have a large number of participants at those as well. I will see many of you there!

I wish each Council participating in the Mental Disability Fund success in their fundraising efforts. I am always amazed by the amount of money raised and contributed to so many in need throughout the state. I encourage all councils to consider contributing part of their funds raised to St. Mary's Residential Training Center.

I also encourage everyone to read the YEP article found in this newsletter. We have recently been in decline each year regarding the contributions coming into the State Council. These funds are needed in order to put on your state youth programs. As a matter of fact, we had to cut some dollars from a number of programs this year due to the funds received last year being less than what was expected. If you have not

The fraternal year is well underway. Hopefully, your Council has many activities already planned or underway. Continue to recruit new members to our Order.

The month of October has two very special emphases. It is the month of the Holy Rosary, and this year marks the 800th anniversary of this great gift to the Church. Why not sponsor a special event in your parish to commemorate this anniversary! This is also Respect Life month. We continue to promote the dignity of every human life.

The month of November invites us to remember those who have gone before us. Many councils schedule a Mass for deceased brothers. Please consider this, if you have not already done so.

On a personal note: I want to thank all of you for prayers and support during my recovery. I am now able to resume most of my responsibilities. Recently I had the honor of being Principal Celebrant at the Installation Mass of our new 4th Degree Master at St. Luke Parish in Slidell. I look forward to joining the leaders of our Order in Sulphur for the winter meeting.

May the Lord bless our Order and all our brother Knights and their families!

contributed recently or have contributed less than your quota, please strongly consider contributing now and making that part of your annual plan. To those that have contributed their quota, thank you. If you have any questions about the program, please contact the YEP Chairman, Joel Ocmand.

I would also like to congratulate Sir Knight David Lemaire on his appointment to serve as District Master for the Louisiana District. I look forward to working with him in the future to ensure the success of both the Jurisdiction and District of Louisiana.

My state motto for the year, Stronger Together, is meant to be an action and not just a saying. I expect all aspects of our organization (Third Degree, Fourth Degree, Columbian Squires, Insurance Agencies, and the Ladies Auxiliary) to work together for the betterment of our order and its works. When we work together, we will not fail!

In closing, I would like to thank each of you for what you do for this order. Please continue to take care of the required paperwork as the year goes on and shoot for Star Council. Also remember that I, the State Officers, your District Deputy, and the other various members of the State Family are here for you. We are here to help you succeed. Never hesitate to contact any one of us.

Youth Expansion Program

School is back in session and the children are settling into the school year routines. Part of that routine is extra-curricular activities both at school and at home. The Knights of Columbus youth programs are part of those activities as well. At the local council level all the way up to Supreme our youth programs are second to none. Again this year will support many programs at the State Level.

A donation to the YEP enables our future to look brighter. Every one of the following programs helps us in our journey as Knights of Columbus to obtain the vision that we carry forth as Knights of Columbus members. The vision of charity, fraternalism, patriotism, unity. By aiding the youth of our state we set forth the next generation of Catholic men and women making this world a better place.

Support of our youth program the Columbian Squires.

Arline and I have been busy compiling contact information from council Culture of Life chair couples from throughout the state. We want to encourage each council in the state to name a chair couple and allow them to contribute to the council's activities. If you have not done so, please send us the contact information for your chair couple.

40 Days for Life will begin on September 24, 2014. This is a wonderful opportunity for all people of goodwill to gather to pray for an end to abortion and pray for those who are involved in abortions. It is a peaceful and prayerful vigil held outside an abortion facility. Participants only pray; they do not engage with those going into the abortion facility, which is left to trained sidewalk counselors. This year 40 Days for Life will take place in Metairie, Baton Rouge, and Shreveport. If you live near one of the abortion facilities in the state, please consider participating in 40 Days for Life. You can find more information at 40daysforlife.com or prolifelouisiana.org.

We also encourage all councils to provide some support to your local crisis pregnancy centers. These centers

Did your Council schedule or have a MDF Fund Raiser? If so, Thank you!

If your council has not already selected their beneficiary, now is the time to select one. I greatly recommend someone from your Council to take time to visit these beautiful people. It will make all the difference in making your Council's fund drive a success. Your Council should look into what your beneficiary does with the funds given to them. Ask that they let you know for what the funds are being used and then inform your council membership. Publish your beneficiary donations in your council's news letter and local newspapers.

Please consider St. Mary's Residential Training school as your beneficiary. The St. Mary's mission is to provide every person the opportunity to develop to his or her potential, intellectually, spiritually, mentally, physically, vocationally and socially. St Mary's help each of the 202 children and young adults, from all over the State of Louisiana, realize greater possibilities and attain higher levels of performance. Add all, or a percent, of the total amount of the “Tootsie Roll” money received or from a special council fundraiser on the MDF Financial Statement Report Form. Note: at the bottom of the Statement Form, there is a line item listing St. Mary's Residential Training School.

What a great feeling you will have when you take time to have a Fund Drive, and helping God's special children! “Thanks”

Don't forget in order to achieve points to the State Deputies award you need to have a speaker on the YEP program at your council meetings. Contact your District Deputy, Diocesan Administrator State YEP Chairman or State Officers to assist in your meeting plans.

**Plan.

As the 2014-2015 Athletic Campaign kicks off, I would like to recognize several individuals who have stepped up, to make our fall competition, great Knights of Columbus events.

Our 66th Annual State Softball tournament was hosted by Msgr. Teurlings Council 3202, Lafayette. Kudos to Grand Knight Phillip Parker and the brothers of 3202. Your continued support of our softball event insures its continued success. More importantly, my extreme gratitude to Myles Miller for stepping up to serve as Tournament Director once again. His leadership and personal touch make this KC event a great KC event!

Ralph Comeaux and the brothers of Plaquemine Council 970 went the extra mile to make our State Horseshoe tournament an event brothers plan to attend each year. 970's hospitality, and their venue make this another highly participated KC event.

Tyler Kuhn and the staff of Gray Plantation GC served as hosts of our 67th Annual State Golf Tournament. Brothers from throughout the state continue to rave about the great facility provided for this KC State event.

Plan. Promote. Participate. Next up is the Nine Ball Tournament!

by Myles Miller

66 Years of Softball

Pelican Park, Carencro, LA...This event began in 1948 and I am very proud to be a part of it again this year, 66 years later. Only 9 teams participated this year. The tournament began and ended while the sun was in the sky.

In an attempt to revitalize the softball championship, the event was formatted into a Competitive and Recreational event. The new divisions allowed 5 homeruns in competitive, and zero homeruns in recreational. The Co-Ed division was unchanged.

The Co-Ed Division saw only one council participating, as Council 4791-Father Fontaine from Estherwood, entered two teams. Council 4791 played a best, 2 out of 3 for the championship. I would like to say THANK YOU to them for making the decision to keep the Co-Ed Division alive!

The new Recreational division showed great fraternalism having 4 teams and all getting along for the fun of the game. The teams also showed that age does not matter. Whether you have been a knight for only 3 years or for 30 years, this division was fun and everyone enjoyed their time on the field. The councils who participated were, 3054 – Msgr. Carrol A. Badaeux from Lockport, 7557 – Sacred Heart from Broussard, 10455- Most Blessed Sacrament from Baton Rouge & taking home the top honor was 12285 – St Bridget from Schriever.

With the new Competitive Division on board, the home runs allowed went up by 2, from the previous years. Did this make a difference? With 3 teams in this bracket only 1 team truly hit the ball over the fence. This competitive division was truly about the caliber of softball being played. The speed and athleticism of the participating teams are the determining factors at this level of play. In this division we saw Msgr. Teurlings 3202 out of Lafayette, Our Lady Help of Christians 2012 from Jennings & St. John The Baptist 1514

based out of Vacherie. In a three-team bracket Vacherie was the top seed and played only two games to take home Competitive Division honors.

Even with the declining participation, Msgr. WJ Teurlings, Host Council, will always be dedicated to keep this event on the top of its game. We hope with the new divisions, this top notched sporting event will regain the number of councils that wish to participate.

**Kerry Williams
Squires Chairman
kwilliams@metropolitanyouth.com**

As I reflect on my first sixty days as your Squires Chairman, I've realized there is not enough time in a day. Some would say that I have some lofty goals for the Squires program. I was taught to have a passion for your purpose; that whatever you do in life, always plan and prepare. Do everything to the best of your ability, outwork everyone, and leave it better than you found it. The last sixty days have been very exciting and very informative for our team. We reached the goals that were set for the first sixty days. The state circle has been accessible and accountable. We have increased awareness and enthusiasm about the program. We are more organized to handle the workload that comes with

becoming a more effective State Circle and improving our communication with councils and circles statewide. Our State Officers have been accountable starting with our leader, State Chief Squire Mathew Massey. I am also very pleased with our State Committeemen. I appreciate their acceptance of extra duties in service to the Squires and the TEAM. I want to thank the Louisiana Knights of Columbus State Council Officers for all their support and encouragement. Our State Deputy Vernon Ducote's motto, "stronger together" epitomizes what our Squires family is all about. We are FAMILY and we are a TEAM! (Together Everyone Achieves More).

Still, we can do better and we must because our children's future depends on it. Their Knighthood is at stake! Squires becoming Knights is essential to the success of the order. Many Knights fail to grasp the importance of this transition. We must continue to make the point that the Squires program is paramount to the success and preservation of the Knights of Columbus.

I would be remiss in acknowledging successes without also looking at missed opportunities. I am making a commitment to do better and I am challenging everyone on my TEAM to do better as well. Joaquin Bacardi once said, "We should value our impact not by its present value but by its future value." We have an extraordinary opportunity to assist Squires to become members of the Knights of Columbus. We can only do that through hard work and consistent effort. Remember, the boys are watching everything we do. They are constantly learning and evolving. Let's be the best example of what Knighthood is all about. We create our future by doing God's Work and serving others because we are God's Work!

ESTO DIGNUS!

Lafourche Council 1114 and Msgr. Tjebbe Bekema Council 12060, both in Thibodaux, installed a new sign at the Good Samaritan Food Bank. Both councils contribute a good deal of volunteer manpower at the food bank on a regular basis.

Thanks to our Brother Brandon Hendricks, Worthy State Webmaster, the grading forms for the State Deputy Award are all available if you missed placed yours from KCLS on the state website. Be sure to use them. One council made a fantastic suggestion. They use the form to report year end fraternal activities all year long. They have a supply in their council home and ask that anyone who has done anything, to complete one of these forms. It works!|

Brothers, this is an exciting time of the year for Special Olympics. There are many activities, events and fund raisers planned between now and the end of the year.

We just completed “THE TORCH RUN” fund raiser throughout the state involving more than 1500 law enforcement officers representing 200 different agencies. The FALL CLASSIC is scheduled for October 17-19 consisting of aquatics, horseshoes and softball. Also planned is FLAG FOOTBALL in November and culminating the year with our annual “OVER THE EDGE” fund raiser at Benson Towers by the SUPERDOME on December 5.

To learn more about these events and others happening please consult the web site “www.laso.org” and click on the your area link for times, locations and contact information. Now is the time to finalize your plans to participate in some of these programs being offered to meet your “SPECIAL OLYMPICS PARTNERSHIP PROFILE REPORT” due in January.

George S. Martin
Membership Director
 pgkddgsm7557@gmail.com

We are doing a fantastic job bringing in new members into our Jurisdiction so far this year. We are as of the last report I have received, ranked number 9 in the Order with 385 members that gives us an intake of 27.21% of our total intake of 1415. This is our biggest growth for the first 3 months in 3 years. Great job to those Councils that recruited at least one new member! Keep those new members coming in and help us make our Order “Stronger Together” as we fight to win the Final Round of Division Finals of W.S.O.M. against Florida.

With that being said, let’s do a reality check on why we need you to continue to work hard. We have a negative 20 for the year of net members with 33108 members. That means we lost more members than we took in so far this year. That comes from suspensions, transfer out of state, or death and not

bringing in enough new members to replace those members. Think about this staggering number, we have 167 Councils that has not recruited one new member. Are we recruiting “One New Member, Per Council, and Per Month”? Are we trying to improve our Councils and our Order with new members? Think about all of the good that we can do with all these new members. Think about doubling our numbers, with just getting that one new member per Council.

We are bringing in those new members and filling those Form 100’s and taking them to a 1st Degree. Grand Knights and Financial Secretaries please review those forms before you bring the Candidate to their 1st Degree. Why you say? I am glad you asked! Missing signatures, missing contact information, missing Council numbers, missing dates, and so on with these mistakes that are made on the Form 100. If you are reviewing the form with the admission committee and completely and properly filling it out, we won’t have a problem at Supreme. If not, they won’t put it in the system at Supreme causing delays. We need those forms to be done correctly for the sake of the new members and more for their families. If something happens to the member and the form is not at Supreme, the family won’t get the benefits that’s due to them. Those benefits are free to our members and should be promoted when recruiting. Please make it a point to promote and commit to these services we offer to these new

Brother Knights.

Retention is our biggest obstacle to overcome in our Councils. It is a constant battle to keep our members in our Councils through dues and keeping them active. If your Council is not active, you won’t keep members from leaving. You are creating an early retirement for your Council to close up somewhere in the near future. An active Council uses programs, whether it is their own, or state programs to keep their members active and involved. Look at the spread sheet on Council membership and look at the accolades they receive at our State Convention; see why they go together. So, we won’t lose any more active member if we keep them busy? Not always!

What about the guy that started out being active, then suddenly stopped showing up. What about the guy that made a meeting and no one introduced him to the Council or other Brother Knights? Did the proposer just sign the Form 100 to get the points, or does he help the new member? We are working on a “Mentor Program” that will give Councils the tools they need to help keep all members. You will have active members working with new members and “mentor” them about the Knights and their Council. This is a two for one special for your Council. How? It gives both new and old members a way of building a fraternal relationship and keep the Council active. This is a way to become a Star Council by recruiting, be an active in your Council, and fill out the paper work, and reap the rewards.

In closing, I hope each Council has their Church Drive materials, date and time, and 1st Degree lined up for this month. I know that each of you can and will be successful in finding those new members and their families and helping us build a better Church, Community, and Council in your town. Continue to do the work of the Venerable Fr. Michael J. McGivney and help the widows and orphans in our world today and promote the good work of the Lord our God.

Vivat Jesus!

Maryhill Renewal Center, founded in 1948 by the Most Reverend Charles P. Greco, D.D., Bishop of the Catholic Diocese of Alexandria, Louisiana, is now under the leadership of the Most Reverend Ronald P. Herzog, D.D. Easily accessible from major highways, Maryhill is located just northeast of Alexandria, Louisiana. The Center's personalized hospitality and gentle ambiance year-round are accentuated by 186 acres of pine forest with walking paths and stocked lake. Southside accommodations provide 44 rooms, each with a double bed and private bath, along with two partly handicapped-accessible rooms, each with a single bed and private bath. Also on the Southside are two chapels, a dining hall, and comfortable meeting space for groups numbering from 4 to 80. Northside overnight accommodations include 5 dormitory-style sleeping cabins with a total of 80 beds, and the Cedar Building, which consists of 12 rooms, each with 2 single beds and a private shower. Also on the Northside of the lake is the Youth Ministry Center which consists of a meeting room that will seat up to 200 persons, a full commercial kitchen, dining rooms and a pavilion with picnic tables and a barbeque pit. The Northside has its own chapel and, depending on the season, a group can use the in-ground swimming pool and bathhouse. Directed—Provides time for prayer, solitude and guidance from a personal Spiritual Director. This retreat calls for a willingness to discuss one's prayer experience with the Director. Except for the daily meeting with the Director, the time is spent in silence. Preached—Offers two or three daily conferences, Mass, common prayer, and the opportunity to celebrate the sacrament of Reconciliation. The atmosphere is relaxed, casual and prayerful.
