**State Deputy**

First, I would like to give an update regarding the August flood in the Baton Rouge and Lafayette metropolitan areas. As one may recall, we had almost 500 brother Knights and widows affected. The Supreme Council received a lot of donations in their call for aid and was able to distribute needed funds to the victims of the flood. Also, the Louisiana State Council received donations from across the country. These funds were used to buy supplies and provide meals immediately after the floods. After those needs and activities were no longer required, the State Council was able to distribute the remainder of the money we had received from throughout the country and within the state to the victims. I could not be prouder of the way the Knights in Louisiana pulled together to aid those affected. We had many councils and individuals step up and work long hours to assist those in need for many weeks. Thanks to all that donated and special thanks goes out to all the brother Knights (and their families) that worked so hard to help fellow Knights, widows, and other people in the affected areas. While these families are on their way to returning to normalcy, they still have a long road ahead. Please continue to support them and keep them in your prayers.

For those that may not have heard, Bishop Ronald Herzog recently resigned as our State Chaplain. He also retired from the Diocese of Alexandria. As many will recall, he became our State Chaplain after the passing of Monsignor

Susi. Bishop Herzog served as our Chaplain in an extraordinary way. He attended all events, provided articles and video messages, and provided great spiritual guidance through them all. He will be missed by the State Council. On behalf of all the brother Knights in Louisiana, I would like to give him heartfelt thanks for all that he did for the Knights of Columbus and wish him the best in his retirement.

Membership growth should be a concern for each and every Knight. Louisiana, and Order-wide, started with slow growth. It has gotten even slower over the last few months. We are adding members, but not at the rate we have been the last few years. At the mid-year meeting of the State Deputies, the message of the Supreme Knights was that it "Growth is our First Responsibility." That is the case to ensure the stability and growth of our order. Remember that growth in membership not only benefits the order as a whole, it has a real and tangible effect on your own Council and the new member. With that in mind, we can make up for our lost ground and be at the top of the order once again. Our Membership Director has also put in place several incentives for top recruiters. Please recall, after recruiting, we need to ensure this new prospect makes it to a First degree (whether it be a team degree or a video presentation) and then, subsequently, a Second and Third-degree. The degrees schedules can be found on our state website.

**FAITH IN ACTION**

In January, we will conduct our annual Grand Knights Day. At that meeting, we will discuss numerous items of interest to you and your council including membership, upcoming programs, and how to wrap up your earning of the **Star Council** award. Also, information about this year's Convention will be distributed. We will start off with a gumbo lunch from award-winning gumbo cooks. I hope to see each and every council in attendance. You will definitely benefit from attending this event.

One traditional (and important) event at Grand Knights Day is the YEP collections. We will recognize the Councils that have contributed (either before or at Grand Knights Day) throughout the meeting. To the detriment of our Youth Programs, the amount collected each year for several years has gone down. Please recall that all of the State's Youth Programs are funded solely by the YEP contributions. These include the Soccer and Free Throw Challenges, Squires program, and College Catholic Centers to name a few. Please strongly consider contributing this year if you have not done so recently. To those that plan to contribute, thank you.

We also have numerous state programs coming up very soon including the bowling tournament. Please consider participating in them. I know you will enjoy the event and the fraternity found at them.

In closing, I would like to thank each of you once again for all that you do for this order. Please continue to take care of the required forms as the year goes on and keep the goal of Star Council in your sight. That award is the symbol of a thriving, successful, and growing council. Also remember that I, the State Officers, your District Deputy, and the other various members of the State Family are always here for you. We are here to help, and we desire to see you succeed in all you do.

I hope that each and every one of you had a safe and Merry Christmas!

**Melvin R. Burrell**  
**YEP Chairman**  
 mel\_burr@yahoo.com

I would like to begin by saying Merry Christmas and Happy New Year to everyone. As the year comes to an end, I would like to thank you for the generous contributions that you have made to the Youth Expansion Program. For those of you who have not donated to the Youth Expansion Program, there is still time.

2016 was a special year to me because I met so many new people. It was also special because I was able to witness the true meaning of charity from my brother Knights of Columbus. I have noticed this wonderful idea of charity by watching the Councils donate so generously to the Youth Expansion Program. I have never been so proud to be a part of an organization as when I see my brother Knights helping out the children, young adults, and seminarians. I would like for your Council to please send in some of the ways that you have raised funds for the YEP. If you have photos please send them to me also.

I am anxiously looking forward to your continued support for the 2017 year. With your continued support we can successfully achieve our target goal. As you gather together with your family giving thanks for everything you have, I want you to think about all those less fortunate than us. By providing your contribution to YEP you will be helping some of those less fortunate.

I know that this is the part that everyone is looking forward to. It is a pleasure for me to share how much we have collected. As of now, we have collected a total of \$25,808.75. This was all made possible with your hard work and dedication.

 dcforges1@cox.net

We would like to sincerely thank all Knights of Columbus Councils, Brother Knight, Auxiliaries, Ladies, Assemblies and Sir Knights who supported our **2016 Seminarian Mission Fund Drive**. Again, all net proceeds from the fund raiser will be go to both Notre Dame Seminary in New Orleans and St. Joseph Seminary in Covington to help fund Mission Trips that Seminarians are required to take as part of their priestly formation.

This year, funds collected from this state- wide fundraiser was lower than we collected the year before. However, we still were able to collect over \$32,000.00.

We would like to congratulate the following raffle winners from this fund raiser:

**1<sup>ST</sup> Place-** Bobby Green from Lafayette- \$5000.00, **2<sup>ND</sup> Place-** Pete Pfiiffner from Hammond- \$2500.00, **3<sup>rd</sup> Place-** Eddie Dugas from Pierre Part-1000.00, **4<sup>th</sup> Place-** Judy Broussard from Kaplan-\$500.00 and **5<sup>th</sup> Place-** Drues Lapeyrouse from Chauvin -\$250.00.

Our Louisiana State Council hopes we can continue to count on many of you to continue to support this very worthwhile fund raiser again next year. Proceeds from this fund raiser goes to provide valuable experiences for our future priest in their priestly formation and most of us know there continues to be a shortage of priest.

The anniversary of the dreadful Supreme Court decision of Roe v Wade is January 22<sup>nd</sup>, so it is fitting that the month of January is filled with special pro-life activities across the country. In the state of Louisiana, there are a number of major events.

The major public pro-life marches will take place at three locations:, 1) Life March South starts at the Old State Capitol in Baton Rouge on Saturday, January 21, 2016 at 10 AM, 2) Life March North starts at Bossier City's Louisiana Boardwalk on Saturday, January 28, 2016 at 10 AM and 3) Life March Central will start on the grounds of Louisiana College in Pineville on February 4, 2016 at 10 AM. More information on these marches can be found at the Louisiana Right to Life web site ([www.prolifelouisiana.org](http://www.prolifelouisiana.org)).

Your state Culture of Life chair couple will attend all three of these marches. Please come out and join us, and let us know if you will be there so that we can look for you. We want to meet as many of the Knights and their families as we can.

There are also smaller, local marches taking place in Louisiana such as: 1) the March for Life in Broussard on January 14<sup>th</sup>, 2) St. Edmond Regional Pro-Life walk in Lafayette on January 21<sup>st</sup>, 3) the Eunice Right to Life March in Eunice on January 22<sup>nd</sup>, and 4) the South Deanery "March for Life" in New Iberia on January 24<sup>th</sup>.

I hope that all of the councils in our state will have representation at one or more of these marches. Please ask

your brother knights, family members, and friends to join you at one or more of these marches.

The news media often try to ignore these pro-life efforts, but the number of participants can be so large that they cannot do so. The marches send a strong message to our fellow citizens that it is terribly wrong for a society to legally allow the killing of innocent human beings. Please stand up for all human life from the moment of conception until natural death.

As always, please pray for an end to abortion.

May God bless you and your family.

Our CYLA program provides an opportunity to high school seniors to be awarded for their hard work and dedication to offer to their schools, church parishes and communities. However, Councils must be willing to participate in the CYLA program in order for these outstanding Senior boys and girls to have a chance to excel and receive the recognition that they rightful deserve.

All information concerning the Catholic Youth Leadership Award Program is available on our State Website at; [www.louisianakc.org](http://www.louisianakc.org) . On the bottom, left portion of the front page of our State Council Website there is CYLA link anyone can click to get all the CYLA Application and all important information concerning this program. We encourage all Councils and applications to go to our website to be able get access

to the CYLA Applications.

Two of the most important deadlines concerning the Council competition are: January 25, 2107 is the deadline that we encourage all Councils to have their CYLA Applications turned into either their CYLA Chairman or to the Council and February 7, 2017 is the deadline for Councils to have their winning boy and girl applications submitted to your Diocesan Administrators.

There are couple of changes that we made to this program this year that we would point out to the Councils and Brother Knights. First, we are not requiring Councils to submit a form that would indicate who the Council CYLA Chairman is. Instead points towards the State Deputy Award will be awarded to the Council who submit CYLA applications to the Diocesan Administrator. Lastly, there were changes we made to this year grading formula to try to make the grading easier for the Councils and Diocesan Administrator. We went back to utilizing the old formula that had been successful for many years and utilizing the grading formula that used the last few years only for a tie breaker.

Our Louisiana State Council will continue to award \$4,000.00 to our winning boy and girl State Winners, \$3,000.00 to boy and girl who finishes in 2<sup>nd</sup> Place at the State CYLA Finals and \$2, 000.00 to boy and girl who finishes 3<sup>rd</sup> place at the State CYLA Finals. We also award all Diocesan Winners with additional \$500.00. All Diocesan Awards will be awarded to the respective winners during the State CYLA Finals which will take place on Sunday April 9, 2017 at St. Joseph Academy in Baton Rouge. Our top CYLA boy and girl will be invited and honored at our State Convention in Baton Rouge of the weekend of May 5-7, 2017.

**Family Life Director**  
 cconstrantiche@tpsd.org

As Christmas approaches and we prepare to celebrate the birth of our Precious Lord, let us be reminded of the Holy Family. The Church holds up the Holy Family as a role model to families. Christmas reminds us that even with the Holy Family things did not always go smoothly. In fact, Holy Scriptures shows us how the Holy Family endured hardships, poverty and dangers during Christ's infant years. Yet, with faith in God and love for one another, Mary and Joseph held together as a family through these difficult times to create a home for our Lord where "Jesus increased in wisdom and in stature, and in favor with God and man." (Luke 2:52)

This example of Jesus, Mary and Joseph shows us all that even in difficult times, faith in God and love for our family can guide and protect us in the most difficult of times. Let us pray for families this Christmas season and lift up those families in our councils who are worthy examples to others by participating in the Family of the Month and Family of the Year programs. And may all of you have a very Merry Christmas and a Happy New Year.

The theme for this fraternal year's state convention will be the State Deputies theme for his year, "**Faith in Action**". We want to ask you to continue your action of cultivating the Knights of Columbus by serving your parish and communities as we do the work of Father McGivney. Our State Deputy, the Director, of the convention production of the Knights in Action would like to collect your pictures of how you have been giving a service to others. Please send us your pictures to use to [vawhitt@cox.net](mailto:vawhitt@cox.net).

The Convention this year will be held in Baton Rouge on May 5 -7, 2017 at the Crown Plaza. We will again continue with a new revised agenda promising shorter meetings, shortened banquet and more free time for fun, games and fraternalism. Also again this year we will be having a Baby Shower Collection drive to benefit the local Crisis Pregnancy Center. This year we will have children's entertainment on Saturday so feel free to bring your whole family to enjoy the weekend.

We will start the weekend off on Friday with our Convention four man golf scramble at the LSU golf course for all the golfers. Also again this year for ALL you bowlers we are having a singles "NO TAP" Bowling Tournament at Circle Bowl. Then we will have our annual Memorial Mass followed by a fantastic Crawfish boil on the "The Deck at St Jude the Apostle

Church" with a promise to have plenty of crawfish and a band. We will close out our Friday night at the famous State Deputy Hospitality room where you can have a drink and more food with time to catch up with Brothers from across the state. Saturday we will take care of our business with a promise to wrap up around 12:30, have the Pro Life Oratory contest at 2:00, followed by a game of Family Feud at 3:00. We will resume Saturday with the Convention Banquet from 6:00 to 8:30 and then plenty of time for you to relax and enjoy four friends at the State Deputy Hospitality room. On Sunday we will start off with the Convention Mass at 7:30 followed by breakfast and elections with a couple of hours in the general session to wrap up the weekend.

Still Time to Appoint your Round-Table Coordinators for this Columbian Year

The State of Louisiana has a goal of 75 Roundtable coordinators for this Columbian Year. As of the end of November 2017 we have established 21 Roundtable coordinators.

I will have the RoundTable Coordinators Forms at Grand Knights Day and be able to assist you in filling out the form. In addition I have access to members information to facilitate submissions to Supreme.

During Supreme Knight Carl Anderson's first address to the state deputies, he stated that "we have nothing less than a moral obligation to offer every eligible Catholic man the opportunity and the privilege of membership in our Order." He also stated, "We must have a Knights of Columbus presence in every parish." Therefore, councils serving more than one parish are urged to implement the Parish Round Table program in each of the parishes. They serve there by establishing a Knights of Columbus presence. In addition you can have an outreach program in your council that only supports 1 Church parish. You should implement a Round Table and appoint a coordinator for that outreach. Examples of outreach programs are, members who work shift work and cannot attend regular functions (ability to keep them informed of Church activities), Members who are home bound and need assistance (these members can become create prayer lines for your church parish. Etc....

Each council is allowed to appoint multiple coordinators to meet the needs of the council and Church parishes.

1. Council members belonging to each parish will become members of the Parish Round Table developed to assist the pastor with any project that he may assign to the group.

2. However, the coordinator must be a member from the council that sponsors the Round Table.

3. Round Tables should also be offered to small parishes and missions within your area that cannot sustain their own council.

4. Grand Knight appoints Chairman for the Parish Round Tables of the council.

5. Grand Knight can create Round-Tables Coordinators even though you only have 1 Church parish, see examples above.

State Councils will continue to be urged to form new councils in those parishes large enough (over 150 families or 600 parishioners) to support a council. Additional information on the Parish Round Table program may be obtained by contacting the Supreme Council Department of Membership Growth and Ceremonials. Form 2629 must be filed each year even if the Coordinator is the same member.

Brothers, I wanted to personally thank ALL councils statewide for supporting Special Olympics this year. The number of activities are increasing as well as the size of the athletic events.

For example we just finished a Regional Bowling Tournament earlier this month with over 950 special athletes. The event took over four days to complete.

Please remember the Supreme form "Partnership in Profile Report" due at the end of January. It can be found on the louisianakc.org site under Special Olympics. I hope you will take the time to complete the form as it generates dollars from Supreme directly to the state Special Olympic office.

Wishing all a very happy and safe holiday season. Looking forward to a banner year in 2017.

I want to thank our Worthy State Deputy and the State Officers for their support of and commitment to this program. Many thanks as well to the Squires State Committeemen and to the Squires State Officers. I could not do this without them. I want to give a very special thanks to Tre Williams for all of his dedication and inspiration to the Squires program. He became a Squire at age of eight. He has truly been everyone's right hand and our web developer, communications director, and a huge role model to many Squires and Roses! He will still be our web developer and will be missed!! We thank you for all your contributions to the Squires Program! "Squire Power!" I'm so very proud to be your Dad! We would like to thank everyone who supported our Fall Raffle we truly appreciate it! Drawing will be at our State Squires Retreat in New Orleans! The proceeds will enable us to expand our programming. If you did not get a chance to purchase a ticket you will have an opportunity to do so during our spring Raffle or just send us a donation! Please refer to our

website for de-tails! Please go back to your councils and assemblies and consider supporting your State Squires Circle! Thank you in advance for your cooperation!

During the months of August through December our Squires and Roses Circles have been very busy by serving in their Church parishes doing community service, playing sports, playing music, conducting food drives, and so much more! With half the fraternal year almost over we set our sights on our upcoming State Events!

On January 7, 2017, our State Squires Retreat will be held at St. Maria Goretti in New Orleans. This will be the first Retreat that will have both Squires and Roses in attendance! Please go to our website for details and pictures!

Attention all chief counselors and counselors, if you have not attended a safe environment course for your perspective Diocese please do so and send me a copy. Also if you have not completed form #468 (found on our website) and the safe environment training, background check by Supreme by January 16, 2017 you will be removed from that role. It's all about the safety for our children. Please refer to our website for more details and feel free to contact me as well.

Our Saint Mother Teresa said, "Not all of us can do great things. But we can do small things with great love."

In conclusion, my Brother Knights if we DO NOT invest in our Squires and Squire Roses we WILL do irreparable damage to the great works that we do today, did yesterday and will do tomorrow! It's that critical it's that dire or the Knights of Columbus as we know and love it, in the words of Benny Grunch and the Bunch, " ain't there no more!!

This year has been one of tragedies for all who was effected by the great flood, then again recently in certain flooding again areas. With friends and families pouring out to lend a hand, the Knights of Columbus arose to the challenge. Members from all over the world, states, and individuals, came together to offer charity to those in need. Churches, Dioceses, personal homes, and KC Halls were effected. Supreme stepped up immediately after State Deputy James Riente notified them. Thank you to IPSD Vernon Ducote for helping us when State Deputy could not be there because of work. Many members were on the phone communicating on where to send supplies, where to get supplies, and set up a way to send funds to Supreme and or our State through State Secretary Rennan Duffour. State Treasurer Keith Lawson was able to secure many pallets of MRE's and water to distribute where we was told it needed it most. He and another man drove from New Orleans Area to Shreveport to pick up free furniture at a Hotel that was giving it away, thanks Mike Rose for helping loading it up with little help except for those three men. Thanks to Joe Henn for finding a warehouse to house these supplies. Thank you Vince Whittington for picking up the torch when I could not be there physically, after his business was flooded. As most of you know I kept up with the emails, texts, and phone calls to communicate where and when for drop off and pick up points, Brothers and Widows in distress, I was able to make one pick up at Moss Bluff Council who had a large load to pick up, I left Lafayette to Moss Bluff. Then Moss Bluff to Denham Spring to drop off Supplies that was picked up. I was Physically unable to make any more deliveries, Vince was able to step in. Over 450 plus Brother Knights was effected personally from the Flood, or flooding. Many didn't ask for help and took care of themselves. Others were way over their head in water and needed help. A Brother from Lake Charles had two medium size U- Haul trucks from Toys for Tots Make a delivery to help the Youngsville kids have some hope and thank the Grand Knight from that area very much for the Supplies that was dropped at Green

Brothers...The holiday season can seem like a difficult time to recruit new members with everything that we all have going on, but it is the perfect time to recruit “A Knight Before Christmas!” Give the gift of Knights of Columbus membership this Christmas. Use your “Journey to the Inn” or “Light Up for Christ” programs, or any other holiday celebrations your council sponsors to tell qualified men about the Order and ask them to join. At your events distribute Knights of Columbus promotional materials, Columbia magazine, council newsletters and other items of interest, to nonmembers. Sponsor a reception, an evening of caroling or a similar event after your events and invite nonmembers to attend. Have K of C promotional flyers and posters on hand. Also, show one of the Order’s promotional DVDs. If your council is planning a Christmas social or similar activity, set a date and time for the event well in advance to ensure a positive turnout from your council and their family members. Also invite

your pastor and other members of your parish and the Catholic community, and recruit volunteers from your council to set up for the event, run activities, serve food, clean up, etc. Be sure to consider all the details of your event. Will it be a sit-down meal or a standing social with a variety of snacks? What about advertising? Announce your event at Mass and in church bulletins to spread the word to all possible prospects. Write out all the different aspects of your celebration. Plan entertainment for both adults and children. Contests, raffles, sing-a-longs and holiday videos are just the type of things to keep the families of both council members and prospects entertained. To get prospects and their families interested in the Order, have display materials and items that show your council’s history and the various types of projects you conduct. Have plenty of recruitment flyers and other information on hand for prospective members to quickly read while at your event, sparking interest and generating a desire to learn more about the Order. Also, have a supply of Membership Documents (#100) available for interested prospects. Along with members and prospects, invite former and inactive members and their families. Ask for assistance from the financial secretary, past grand knights and trustees in collecting information about these former members and the circumstances of their leaving the Order. Review the list to determine which former members still live in your area and invite them to your celebration. Finally, ask prospects to attend a council volunteer effort — such as an evening of working in a soup kitchen, cleaning the church,

or a clothing and food drive for needy families — to show prospects firsthand what the Knights of Columbus does for the Church and the community.

Earlier this month an article was distributed by the Supreme office from Supreme Knight Carl Anderson titled “**Growth is Our First Responsibility.**” Here it is in its entirety in case you missed it:

*“Time and again, I have stressed that we have nothing less than a moral obligation to offer membership in the Knights of Columbus to every eligible Catholic man. To accomplish this, I am asking dedicated brother Knights like you to be ambassadors, to reach out to Catholic men and their families and invite them to become part of our Order.*

*The Servant of God Father Michael J. McGivney founded our Order more than 134 years ago, and yet we have only just begun to realize our true potential. New members are essential to our success; the Order’s tomorrow depends on our recruitment today!*

*We must be creative in our recruitment efforts, and I am pleased to promote an exciting web site feature that we hope will facilitate membership recruitment. Please visit the Why Join? (<http://www.kofc.org/un/en/join/index.html>) feature and see how it can help in your recruitment efforts. This multimedia presentation offers powerful testimonials from Knights like you about their experiences in the Order.*

*Please encourage prospective members and their families to visit the “Why Join?” feature at their convenience and in the comfort of their own homes. In so doing, they can see why being a Knight of Columbus truly is an experience of a lifetime.*

*Thank you in advance for your efforts to bring new members into our ranks. Working together, I am confident that the Knights of Columbus will continue to thrive as the preeminent lay Catholic organization in the world.”*

Brothers, currently our state is headed in the wrong direction! We have dropped in all three categories, including a 43% plummet in Net/

FAITH IN ACTION

## Membership continued from page 10

Net. While the holiday season may not seem like a time to bring in new members, we should all be trying to bring in a new "Knight Before Christmas!" Ask the young family man you see at Mass each week with his wife and kids...Ask your sons, grandsons, nephews, etc. while they are home from college or the military for the holidays...Ask the gentleman at Mass who helps usher each week...The possibilities are endless! And while most of your councils are not planning to have an Admission Degree between now and January 1st, DO NOT make a prospective member wait until January to join...Utilize the DVD to get him into the Order and invite him to attend an Admission Degree after the first of the year. The longer we make someone wait to go through the Admission Degree the greater the chance they will not join. Please take a moment to read this letter from Al Cala, Director of Membership Development at Supreme, on the Spiritual component to recruiting:

"As we approach the midpoint in the month of December it becomes clear that membership growth is our primary way to evangelize our Catholic population; and as this is the feast of Our Lady of Guadalupe, so too, do we realize, how much she did to convert more than 10 million Native Americans in 1531.

Our Catholic lay people need re-evangelization because they have lost the purpose and mission of Christianity and are lapsing quicker than our Hispanic and ethnic populations are filling the pews.

The Knights, always there to respond to the needs of the Church, has to lead the way in rescuing each other's relatives and expose them to the light of the world, which is Christ through the sacraments and our works of mercy, both corporal and spiritual. Through the literature of the Catholic Information Service, its New Evangelization series and our latest Domestic Church Kiosk series, every council in partnership with its chaplain/pastor can begin the conversation of "why and how" it is necessary to avail ourselves of the Church in order to not only save lives, but most importantly to save souls.

Look at it this way: the more you recruit members and the more we expand our programs, perhaps some of those new

members will come to see the value of the teachings of the Church and see the reason why it teaches the truth of Christ, and they in turn, will invite those who were in their position not long ago. Many books could be written on the subject, however, this wonderful organization that a priest, Father Michael McGivney, inspired by the Holy Spirit 134 years ago founded, can and should be a vehicle to attracting all men of good will to God.

During this holiday season, please reflect on this aspect and realize the importance of recruitment, it is not merely to win awards but to practice our mission as Catholics and Knights!"

A couple of final reminders:

Please ensure that your councils' financial secretaries are submitting Forms 100 from previously held degrees and that they are following-up with their rosters to ensure that the new members have been properly registered in Membership Records. We have heard about several parts of the country where this may be the case, so please follow-up with them. This may especially be the case for regional degrees, where several councils have combined Admission Degrees. The easiest method is to scan or photograph every Form 100 and e-mail them to BOTH [membershipsrecords@kofc.org](mailto:membershipsrecords@kofc.org) and [form100@louisianakc.org](mailto:form100@louisianakc.org). Get into the habit of doing this on a daily basis as necessary.

Remember that both councils and districts have the incentive from Supreme of the canonization portrait of St. Teresa of Calcutta:

For Councils - If they recruit at least one member in the second quarter, they earn the portrait.

For Districts - If every active council in the district recruits at least one member each in the second quarter, they would earn the portrait.

(For the purposes of this contest, an active council is a council that was not suspended on July 1, 2016. The second quarter runs from October 1 through December 31, 2016)

It is up to each and every one of us to build our order! Recruit! Retain! Readmit! As always, please reach out to me with any questions or comments.

Brothers, on behalf of myself and my family, I want to wish each and every one of you a Very Merry Christmas and a Happy and Holy New Year! Vivat Jesus!

T Lindon Elementary School and dispersed in that area. Thanks to Brother Richard Yandle in helping coordinate this effort. Many thanks go out to Brother Knights and their Councils for picking up Supplies, cooking for those in need, or delivering supplies, or even donating monetary funds. Thanks to Laplace and Chalmette Councils for cooking and serving food for Church Parishes, sometimes more than once. Thanks to State Advocate Eric Miller for helping Vince Whittington in the Baton Rouge Area rounding up help and pointing the help in the right direction. Thank you to all who helped make this work. We are sorry if we didn't get to everyone, but we tried through emails and phone calls to help those in need. Thank you to the Pokeman Group, Jessica that Traveled from Shreveport to all over the State picking up and delivering supplies at no cost to us. As she was dealing with her own flooding in Shreveport months before. Thank you to Jason Cannon, he came all the way from Colorado to help the Cajun Navy in helping those in St. Martinville - Catahoula area on a late Sunday evening as 20-25 Families that was untouched and flooded in. I received a call to get that many cases of water for them ASAP as families stayed stranded, because nobody knew they was out there in need. Thanks to Broussard Council for paying for the Water to be delivered that very night by the Cajun Navy by boat. Thank you to Brother Peter Dutter for coming all the way from Pennsylvania on his own to assist with insurance paperwork, which the State of Louisiana never gave him a License to be there. He did what he could for free to help his Brother Knights. The many States who drove in to offer services or supplies to others is overwhelming. Supreme who collected funds and then in turn sent money to the Diocese for all the damaged they received, the several Church Parishes that was flooded received funds from Supreme from Carl Anderson from a personal trip he took down here to see the damage first hand. Supreme even sent checks to members to those names that was collected and turned in by a certain time. I can say the out pouring of Charity was tremendous to see there is goodness in the world. This is not to brag, but to ensure that the active service of the Knights of Columbus is and will be at hand when our members are in need. Thank you to all the Councils and members not mention, who helped those in need, who are nameless as others who could not be mentioned because of space in this article. I remember the motto "Service to one, Service to all" is what we really do everyday, but in silence, not beating our chests, but giving freely in a world that recently has so much hate. To help prepare for the next emergency, please, each council select a member of from our Council as a key contact that can be reached by a good working phone number and can be reached by a good email account. Then turn that persons name I to me far a emergency contact to help your Council needs, or another part of the State. Please send this in to help those in need, you never know if it is you in need. Thank you! May God Bless you all! Vivat Jesus! Merry Christmas! Happy New Years!

Maryhill Renewal Center, founded in 1948 by the Most Reverend Charles P. Greco, D.D., Bishop of the Catholic Diocese of Alexandria, Louisiana, is now under the leadership of the Most Reverend Ronald P. Herzog, D.D.

Easily accessible from major highways, Maryhill is located just northeast of Alexandria, Louisiana. The Center's personalized hospitality and gentle ambiance year-round are accentuated by 186 acres of pine forest with walking paths and stocked lake.

Southside accommodations provide 44 rooms, each with a double bed and private bath, along with two partly handicapped-accessible rooms, each with a single bed and private bath. Also on the Southside are two chapels, a dining hall, and comfortable meeting space for groups numbering from 4 to 80.

Northside overnight accommodations include 5 dormitory-style sleeping cabins with a total of 80 beds, and the Cedar Building, which consists of 12 rooms, each with 2 single beds and a private shower.

Also on the Northside of the lake is the Youth Ministry Center which consists of a meeting room that will seat up to 200 persons, a full commercial kitchen, dining rooms and a pavilion with picnic tables and a barbeque pit. The Northside has its own chapel and, depending on the season, a group can use the in-ground swimming pool and bathhouse.

Directed—Provides time for prayer, solitude and guidance from a personal Spiritual Director. This retreat calls for a willingness to discuss one's prayer experience with the Director. Except for the daily meeting with the Director, the time is spent in silence.

Preached—Offers two or three daily conferences, Mass, common prayer, and the opportunity to celebrate the sacrament of Reconciliation. The atmosphere is relaxed, casual and prayerful.
