LIFE THE NATURALCHOICE

Prayer to Our Lady of Guadalupe Mother of the Americas Feast Day December 12

O our Lady of Guadalupe, mystical rose, make intercession for Holy Church, protect the Sovereign Pontiff, help all those who invoke thee in their necessities, and since thou art the ever Virgin Mary and Mother of the true God, obtain for us from thy most holy Son the grace of keeping our faith, sweet hope in the midst of bitterness of life, burning charity and the precious gift of final perseverance.

Brother Knights,

This past year has gone by faster than I would have ever thought possible. It has been my honor to serve as Deputy Grand Knight. I have tried my best to support the council and the council activities. As I step back, I want to thank each and every one of my brothers for everything they have done this past year to support council activities and ask that you continue giving as much as you can to this organization. It is a true privilege to work with you at council activities and to see the council progress. We are truly blessed to have each other in our lives. Please continue to pray for this council's needs and our desire to serve God, our country, our community, our church parish, and each other.

God Bless
David Marquardt

Brother Knights, you may have heard it said before- God works in mysterious ways. Before leaving our last monthly meeting Steve Hart asked me if I could get the kids who attended Camp Joshua to write about their experiences at the camp. Well, God used Steve to set in motion from this little act a chain of events where we were able to raise funds to send all six to the week long summer camp. How? Well, from what the kids collectively wrote down was so impressive that Jackie Russell got the KC Auxiliary to donate \$200. And the Carmelites a few days later funded over \$800. This was truly amazing.... and now I will share with you the words from the kids themselves.

Quote "Before we went to Camp Joshua, we had little knowledge why exactly we were pro-life, but now we know why we hold those beliefs how to spread the word. The camp taught us some very important details of fetal development and the devastating effects abortion has on women physically and emotionally. Even further, we learned how to spread the word with practical and realistic pro-life ideas and events, such as baby showers, a cemetery of the innocents, and many others. We have already completed our first project (with the help of some money from the KC council at our church) where we filled pink and blue Easter eggs with jelly beans and some delightful pro-life sayings (such as "Did you know your heart was beating when you were the size of these jelly beans?"). We gave them out after mass on Easter and brought them to all the CCD classes the following week, and we've seen a very positive impact on the children. This project essentially put a pro-life message in

600 homes in our community. We plan on continuing events at our church.

Not only did we learn how to spread the word with these types of big events, but we learned how to defend our beliefs in the daily discussions we have with our peers. We learned methods of defending our beliefs and debating strategies. We were also introduced to some of the main pro-choice arguments and specifically taught us how to prove them logically and morally false.

The friendships all of us were able to establish at Camp Joshua have been wonderful. As pro-life teenagers, we often feel like the minority at school, and it was great to meet other young people who share our beliefs. We have a Facebook page and continue to talk, share articles and current events, and support one another. Together, we have brought about some good debates on the Planned Parenthood Facebook page, and whenever someone needs help with a response to a pro-choice argument, we help one another. The knowledge and the friends we gained through Camp Joshua give us the confidence to stand up for life in our community." End of Quote

We had no plans to send any of the kids to the summer camp..... But God did... 1st from you knights sending them to the weekend camp... Steve asking feedback.... and now you see how God works! Thank you Knights, and thank you Steve, and thank you, the KC Auxiliary and Third Order Carmelites.

Over the thirteen years I have given the council a newsletter to keep the members informed of the council events. Due to other commitments and time constraints, I will be discontinuing my part of compiling the news information and distributing the newsletter to the members. For anybody wishing to take over the newsletter, I will be happy to pass on all the information (passed newsletters, addresses, ads and email addresses) that I have collected over the past thirteen years.

Four parts of retirement: Phase two

In a previous article, I discussed protection and how Knights of Columbus products can provide it for you and your wife in your retirement years. The next phase of retirement is accumulation of cash.

Those life insurance policies you purchased, if they are permanent plans, carry a savings element that helps with accumulation of wealth. Another good option is a Knights of Columbus retirement plan or annuity with a guaranteed interest rate. After basic protection, you spend your working life preparing not to work...for the day the paychecks stop. Factor in here also your pensions, government benefits and other savings you've acquired over the years.

Some experts will tell you that you should prepare for retirement with a plan that calls for 70% of the income you had pre-retirement. I think that falls woefully short. Plan on the 90% range. Consider this: what are you giving up that translates to 30% of your income? You still have to eat, you will travel more (going to see the grandchildren), taxes need to be paid, and on and on. Be careful of that 70% arbitrary rule.

I can help you build a plan to reach your goals. Contact me today to learn more.

Lord, made me an instrument of Your Peace, Where there is hatred, let me sow love; Where there is injury, pardon; Where there is doubt, faith; Where there is despair, hope; Where there is darkness, light; Where there is sadness, joy. O, Divine Master, grant that I may seek not so much to be consoled as to console; to be understood as to understand; to be loved as to love; for it is giving that we receive; it is in pardoning that we are pardoned, and it is in dying that we are born to Eternal Life. Amen.
