INSURANCE:

A poll of Americans and high-level business leaders proved what Knights of Columbus insurance agents have known for generations: religious beliefs and values should be an integral guide to business decision making.

Those surveyed also revealed they believe personal and corporate gain drives executives' decisions. Overall, they believe, as do the majority of the executives polled, that the moral compass of corporate America points in the wrong direction. Only 19 percent of Americans would award corporate America a grade of A or B for its honesty and ethical conduct. Forty percent of these respondents had the banking and financial industry in mind when answering.

The positive side is that 75 percent of Americans surveyed believe that it is possible to be successful and ethical in business. They also believe that high ethical standards strengthen a company's advantage over its competitors, in both the short- and long-term.

Additionally, more than 90 percent of people strongly consider a company's reputation for honesty and ethical conduct when considering whether or not to invest with them. Nearly two-thirds of those polled believe corporate leaders should rely on their religious values for guidance in the business arena.

In this tough economic climate, it's of paramount importance that all Knights are reminded of the moral, ethical commitment of the Order to serve its members and their families. Earning just a passing grade is not acceptable to me or the other professional insurance agents of the Knights of Columbus.

I'm Terry Kennedy, General Agent at 985-649-2703 or terry.kennedy@kofc.org. Call me – let's talk.

Grand Knight's Page:

We have planned for our next meeting to be in conjunction with our annual Christmas get together. Please review the announcement that's part of the newsletter. I ask that you all plan to attend. Come meet our two new members and a perspective member and their spouses. Mark your calendars for Monday December 6th at 6:30 PM then e mail me to let me know if you are coming, how many guests and what you are bringing.

As you know we had a blitz weekend in October for new members. So far we have two new members and one prospective member. Thanks to those who supported this endeavor. Starting in the first quarter we will be taking our membership blitz to other parishes in the area. We have lots of space at the Pauline Center so let's fill it up with active members.

We continue to run short each month for food for the poor who are at the rectory doorstep almost every day. The office staff does a stellar job of providing food to the needy. Dixie is very appreciative for all that we do. Msgr. Nalty, Dixie and the other staff see this agonizing situation every day and deal with it with Christian love and understanding. Let's do our part by bringing cans of food and dry food to mass every Sunday and drop your loose change in the poor box. It all adds up. Also, tell a fellow parishioner to do the same.

Thanksgiving is just around the corner. Those who are travelling please be safe and return to share your great holiday experiences. Have a blessed Thanksgiving. A thanksgiving blessing you may want to use for the occasion: Dear Lord please bless the food which we about to enjoy. Bless those who's toil and labor bring us this feast. Please watch over those who are less fortunate that they may have a warm meal on this festive day and find spiritual comfort and a way to prosperity. Please give your blessing to the people who serve our country, give them a moment of comfort. We pray this through Jesus our Lord. Amen.

Vivat Jesus

Keep Christ in Christmas

The Keep Christ in Christmas committee has put our council name on one of their billboards. They noticed that we donate every year to their cause and need one more Knight of Columbus organization to complete the billboard so they put our name on it. Billboard is located at 400 Broad St. at Banks St. The billboard will state sponsored by:
