Brothers ...It is hard to believe that three months have already passed in the 2019-2020 Columbian Year. Our Louisiana State Goals are challenging and we will need a constant focus and attention to be successful. As I write this article, the State Council is traveling across the State, attending Diocesan Meetings to present and discuss this year's goals and initiatives. Supreme representatives have been scheduled to participate in most of our Louisiana Diocesan Meetings. It is certainly a pleasure to meet with my Brother Knights across the State at these Diocesan Meetings, as we travel to each Diocese.

The Council Budgets and Plans for Council Membership Recruitment and Council Programs should be completed and well into its implementation phase. The forms listing your Council Officers, Directors, Chairman and Service Personnel (Forms 185 and 365) should have already been submitted to Supreme. Also, the Semi Annual Council Audit Form (Form 1295) is not past due. If your Council has not submitted any of these forms for this Columbian Year, please get those forms submitted to Supreme as soon as possible.

At this point the State has accomplished over 20% of its membership goal. We had a good start for the first quarter, but are slightly behind in our Monthly targets for Membership. We will need to make every event an opportunity to recruit new Members into our Order. It is now time to evaluate our Council Membership Recruitment Plans and make adjustments if the plan is not reaching the expected results to accomplish our goals and quotas. Please make sure the Council Membership Recruitment Plan is discussed at every Council Meeting. If there is no Membership Report presented at the meeting, ask for the status of the Membership Plan at the meeting. Membership should be an active topic at every Council Meeting. October is the month for Church Drives. Plan and conduct your activities for a successful Church Drive in your Parish.

Districts are requested to have a minimum of one Admissions Degree per month. Do not delay any candidate from achieving his Admissions Degree due to lack of available Admission Degree in the District. Seek the schedule of Admission Degrees in other Districts or use the Video Admissions Degree to bring in a Brother Knight.

Our State Chaplain, Fr. Jamin David, has develop a monthly Spiritual Newsletter, Meditative Musings, for use by all Councils in Louisiana. The Meditative Musings Newsletters is intended to be a reference to provide more Spiritual content in our Council Meetings and Events. If the Council Chaplain is not available to attend the Council Meeting, there is a section in the Mediative Musings

An atheist was driving through the countryside when he came upon a Baptist minister and a Catholic priest standing on the shoulder of the road fishing. Next to them was a big sign that read, "Turn back; the end is near." The atheist took offense at the sign, so he rolled down the window and shouted, "Don't preach to me you religious nuts!" Then he sped off. A few seconds later, the priest and the minister heard tires screech and then a splash. The priest turned and looked at the minister and said, "I told you we should have just written, 'Bridge out ahead!'"

I don't know about you, but I get a little anxious when Jesus starts talking about wars, fake messiahs, insurrections and the destruction of the temple, or how our relatives are going to betray us to authorities. What's even more confusing is when St. Paul seems to be mandating that soup kitchens and pantries be closed down. There has to be a context here about these "end times" somewhere between fundamentalism and dismissal of the scripture!

St. Paul might hold the key. Paul established the Church at Thessaloniki as his first only about 20 years after the death of Jesus. Folks there were particularly concerned about Christ's second coming. In his first letter to them, Paul explains that their friends and relatives who have died will still be part of the resurrection when the Lord comes again. There is no need for them to worry, but

instead, they should do their work and set a good example.

But it seems as if some of these Thessalonians decided that since Jesus would come back any day, and since they were already all saved, they would sit back and have a beer, watch a little football, and let others take care of things. And since Paul already told them by letter that Jesus would come back like a thief in the night, some were compulsively examining every clue to see if Jesus really was coming back soon. Could this or that be a sign?

So he writes them a second letter telling them that the second coming will not come subtly, and they won't miss it. At the same time, he calls down the slackers. We are all to work to build up the community while waiting for Jesus' return. He's basically saying, do your work; don't be a busybody; don't sit around like a slug. Do your part in building up the community and don't say you can't because you're too "busy" waiting for Jesus to save you personally.

What we see in the Scriptures, I think, is a microcosm of the Church today. We have the whole gamut. There are those who take the words of Scripture literally and they look for the end of the world around every corner. There are those who are so worried about their personal salvation, they fail to realize their place in the salvation of others in the community. And there are slugs who simply lounge around awaiting the Parousia. There has to be a healthy balance between them all.

We live in a world where people are hungry, suffering from hunger of every single kind. Let's not sit back and wait for Jesus to come and make things better. Let's work together to make things better in his name. Isn't that what we're supposed to do as Knights?

I would like to begin this new Columbian Year by expressing a heartfelt thank you to each and every Knight of Columbus Councils and Knight of Columbus supporters for their generous donation thus far to the Youth Expansion Program Fundraiser (YEP).

We sent out an email notifying each Council of their YEP quota. The quota was derived using a \$10.00 fee for each active member on your Council's roster which is determined at the start of the Columbian year. When completing your checks to YEP please ensure that you write LA State Council on the Pay to line. If not already on the check put the Council's name and number on it. Also, write YEP on the memo line.

YEP is instrumental in funding the following programs: Columbian Squires, Catholic Student Centers in each Archdiocese, soccer challenge, free throw challenge, Youth Retreats, and the Catholic Youth Leadership Awards.

As of September 26, 2019, we have a total of 19 councils in the State that have given unselfishly to YEP. We have 3 Quota Plus, 7 Quota and 9 Partial that have donated. Added to these funds are monies collected at KCLS of \$418.00; State Family Meeting of \$197.00; Bowling of \$530.00; Horseshoe of \$160.00. This now gives us a grand total of \$11,416.00 collected so far. If every Council donates we can raise \$230,850.00 for this Columbian year. It is a pleasure serving as the YEP chairman this Columbian Year.

Hope all is going well with your Faith programs. Please try and participate in as many programs as you can and not just the minimum required. You will find the more programs you do the more recruitment opportunities you will have.

It is imperative however, that you do the mandatory program under Faith, which is the Spiritual Reflection Program. Your council can accomplish this by sending a minimum of 10 brother Knights to the KC State Retreat at Maryhill in Pineville on January 10, 11 and 12, 2020. Or speak to your council Chaplain or Pastor and have a day of reflection for your council or a group of councils with a minimum of 10 Knights from your council attending. A Church Mission will not complete this mandatory program this fraternal year.

Our State, once again, has received 3 Marian Icons and accompanying prayer books. Please contact your Diocesan Administrator if you want to participate.

The New Orleans Diocese will have an icon from July to October. They will transfer it to Houma-Thibodaux Diocese from November to March.

The Baton Rouge Diocese will have an Icon from July to October. They will transfer it to the Lafayette Diocese from November to March.

The Lake Charles Diocese had the icon from July to September and transferred it to the Alexandria Diocese for October, November and December. Alexandria will then transfer it to Shreveport for January, February and March of 2020.

Again, you do not have to host, just participate at another council to get credit.

And finally, remember starting this fraternal year, we will not accept any State Grading forms through the US Postal System. They must be submitted online before April 5, 2020.

Thank you again for all you do for your Church, Community and Council.

Delmas Forbes
Seminarian Mission Fund
 dcforbest@cox.net

All Councils are encouraged to help with our Seminarian Mission Fund Program. Proceeds from this state fundraiser is evenly divided between St. Joseph Seminarian in Covington and Notre Dame Seminary in New Orleans. The revenues awarded to these seminaries is used to fund Mission Trips taken by their seminarians. These trips provide seminarians with the opportunity to experience the missionary dimension of pastoral Ministry. These trips continue

to be very valuable to our seminarians in their formation to become our future priest and a required part of their priestly formation.

One of the primary ways we raise our funds is by conducting a state raffle. All active Councils should have by now been assigned and received some raffle tickets. Our prizes include 5 prizes: 1st Place- \$5,000.00, 2nd Place- \$2,500.00, 3rd Place- \$1,000.00, 4th Place- \$500.00 and 5th Place-\$250.00. Our drawing will occur on Grand Knight Day on January 25, 2020. If your Council did not receive your tickets or would to receive some additional tickets please contact our State Chairman- Delmas Forbes, Jr at 225-939-2980 or by email at dcforbes1@cox.net.

We also will accept donations from any Council that does not wish to get involve with the raffle.

Any Individual Member or any other person can also purchase raffle tickets on our State Website by clicking on this link: <http://louisianakc.org/programs/seminaryfund/tickets.php> . Encourage your Brother Knights, neighbors, co-workers, relatives or friends to assist us with this worthwhile fundraiser by purchasing online tickets.

The State Council will award four free incentive tickets for every 50 tickets any Council sells or purchase.

Each Council participating in this raffle are asked to send in all sold tickets, monies and unsold tickets by January 23, 2019. All Councils are asked to make their checks payable to **Knights of Columbus La. State Council**.

We encourage Councils to conduct church drives where tickets could be sold after weekend Masses. This has been proven method to raise a large sum of money. When approaching your Pastors about this fundraiser be sure to explain this that this fund raiser by used to assist Seminarians. There is time to conduct these drives. However, we encourage all Councils to get involved in helping the La State Council in reaching our State Goal of trying to raise \$50,000.00.

Brothers here are some updates on St. Mary's that you will find very interesting, and will make you glad that we are a part of St. Mary's love and growth.

I am proud to say that the State Council, Knights of Columbus Councils of Louisiana and you my brothers have contributed \$30,605.50 since April 1st 2019 towards the construction of the fifteen new group homes this Fraternal Year. My Brothers you and you councils, and the State Council have done an outstanding job in your support for St. Mary's and our special brothers and sisters who live there. While St. Mary's Group Home Project's timeline has been impacted by weather and other obstacles St. Mary's, as of today have twelve of the new group homes that have passed the first set of Fire Chief's inspections, where they are able to started installing appliances, moving furniture in, and are steadily moving forward toward final inspections. The licensing of these twelve new groups should begin in the near future, and then preparing for St. Mary's special brothers and sisters to begin their journey from dormitory living to living in a more home living environment that

will increase their independence, their education, and most of all their daily lives. My brothers the three remaining new group homes should be in the completion stage very soon also. I have watched, and been a part of these fifteen new group homes every step of the way from beginning, and I will be their till the completion and be on. I am honored to say that I am proud of the State Council, every Louisiana Knights of Columbus Councils, and every Brother Knight who has ever been involved with St. Mary's, and the wonderful love, compassion, and hard work by St. Mary's administration and St. Mary's employees that are making this next chapter in St. Mary's, and Bishop Greco's vision become reality for the special brothers and sisters of St. Mary's. This is truly a milestone that could not have been achieved without Our Lord guiding our way with love and compassion for these dear brothers and sister of St. Mary's. I ask that you continue to pray for everyone at St. Mary's, and their great work, and please continue to support St. Mary's.

Brothers, St. Mary's Greco Bowl with Chef John Folse was a great success and over thirty Thousand dollars was raised. My wife Pam and I have been to every one of the Greco Bowl's since I have been honored to serve as St. Mary's State Chairman, and I can tell you the meal was wonderful, and the fund raiser was a complete success again this year.

Brothers if any of you or your councils would like to tour St. Mary's please let St. Mary's or I know, and we will be more than happy to show you St. Mary's facility and you will see where your generous works, love, and compassion goes to, and I promise that you will always want to be one of St. Mary's supporters, and part of St. Mary's family.

We hope Councils have already begun their Knights of Columbus Catholic Essay Contest. Remember this year's theme is "Discuss the meaning of Virtue and how you live and embody the virtue of Charity"? All essays must be written on this theme and must contain between 500-750 words and must have a Knights of Columbus Entry Form. Councils can submit one winning essay in Grades 8-12. All winning essays should be graded against other students in their respective grades. Another Important requirement for this program is that all participants should be Catholic. This does not mean that all students or participants have attend Catholic School. All Councils are encouraged to turn in their winning Essays to their Diocesan Administrators by November 1, 2019.

Brother Knights, another good program for our youth is our Knights of Columbus Keep Christ in Christmas Poster Contest.

This is a very easy program to conduct for boys and girls between the ages 5-14 Years old. Participants are simply asked to compose a poster on the Keep Christ in Christmas Theme and each poster are asked to be 11x17 inch posters. There are three different categories in this contest 5-7 years old, 8-10 years old and 11-14 years old. Each Poster should be the original work of a single person. Any Poster that is copied or plagiarized from the internet, from a previous poster or any other source: will result in the poster being disqualified. We ask that contestant create their own ideas on how to compose his or her poster. We encourage each participant to include their name and age on the back of poster and each participant must attach a Knights of Columbus Keep Christ in Christmas Entry Form to the poster. All Councils may submit one winning poster in the each of the three age groups. All winning Council winning posters are asked to be submitted to the Diocesan Administrators by November 1, 2019.

Councils, within the next couple months should begin to plan your Knights of Columbus Free Throw Contest. This program is open to all boys and girls 9-14 years old and participations compete against other participants in their own age and gender. The age group that each participant compete in is based on their age as of January 1st. The Councils are asked to conduct our local Free Throw Contest before January 31, 2019. All District, Diocesan and State Free Throw contest will occur in the months of February and March of 2020.

Brother Knights, each of the four categories of Faith, Community, Family and Life should also include opportunities for youth involvement. The youth are certainly an essential part of the Knights of Columbus Mission and we hope your Council will consider planning meaningful and enjoyable programs for our youth.

This year's Mental Disability Fund Drive should be off to a great start. I would like to thank all the councils that have participated in the tootsie roll drive thus far this year. I truly hope that each council has a great fund raiser this year.

I know for many Knight of Columbus Councils, tootsie roll drives are not always the most effective way to contribute to the Mental Disability Fund Drive. There are many different way to be successful and you may choose many different fund raisers to help Our Lord's special people. I pray that your fund raisers will have a great success, and for councils that have not yet had their fund raisers, you have till March 2020 to hold one and help many needy people in your own hometown by the monies you raise for the Mental Disability Fund.

Grand Knights please remember that you **"WILL NOT HAVE TO SEND ANY CHECKS TO THE STATE OFFICE"**. Brothers your councils will make out your own checks to your beneficiaries. Brothers your councils will be on the honor system with M.D.F. just like the councils have been on the honor system for all activities that they do all year.

This year our State Web Master Brandon Hendricks and I have been setting up an easier and better

way for you to fill out the Financial Report. Worthies, thanks to Brother Brandon's hard work and skills this year you will be able to fill out the Financial Report online and submit it online. First go to the State Website, click MDF, click on the link to fill out the Financial Report, fill it out completely, and click the submit button. I will automatically receive your Financial Report. Please print out a copy for your council records. There will still be a PFD Financial Report Form that you can print out, fill out and mail it to me. Please remember to have your reports in by the end of March 2020. I am always interested in seeing where your hard work and monies goes to, and in turn I can help by mentioning to other councils where they may be able to send their funds to in their area. This will also aid me in tabulating all councils, and determine which councils in each group win their

respective group for the awards at State Convention.

I pray that you and your councils may want to make St. Mary's a part of one of your beneficiaries. The fifteen new group homes are soon to be a reality for every resident at St. Mary's, please continue to support our Special Brothers and Sisters of St. Mary's.

My Brothers I thank you for your continued support, and have a successful M.D.F. Campaign, and if you ever have any questions or concerns, please contact me.

74th Annual State Bowling Championship

HARAHAN, LA - The 74th edition of our state bowling tournament is in the books. I hope everyone enjoyed themselves at Colonial Lanes in Harahan.

The star of this year's tournament was Ryne Navarro from Lafayette, by way of St. Michael Council 4156 in Leesville. Ryne and his powerful pink ball dominated Colonial Lanes to the tune of a 233 per game average for the nine games he bowled. Ryne was also member of the team scratch and handicap champions, as well as the singles and all events scratch and handicap champion with scores of 700 and 2100, and finally, along with his partner Cory Domingue, Holy Cross Council 7275 from Lafayette, the doubles scratch and handicap champions, rolling a 1,359.

The team scratch and handicap champion was Wise & Determined, comprised of the aforementioned Navarro and Domingue, along with Jack Douglas, Holy Cross 7275, Lafayette and John Sergi, St Anne Council 6057, Youngsville. They rolled a 2,491 scratch series and a 2,525 handicap series.

Second place went to Laplace's Msgr. Bergeron Council 5935 comprising of Scott Boudreaux, Gary Martin, Sr. (Gramercy Council 1817), John Scotti, Jr. and Allen Weber, Jr.

Lafayette's, St. Edmond Council 10293, whose team consisted of Kevin Dischler, Richard Dischler, Tom Grote and Elton White (Holy Cross 7275, Lafayette) came out third.

Also making a return trip to the winners circle were our mixed doubles scratch and handicap champions. Breaux Bridge Council 2398's Butch and Joddy Cormier rolled 1,217 and 1,286, respectively.

Lighting up the lanes like a Cosmic Bowling night was Laplace's Msgr. Bergeron Council 5935's Allen Weber, Jr. Allen strung enough strikes in a row to post an electric 278 game to bring home the Mike Wild High Game Award. Allen bowled a 602 scratch series in doubles and began his singles series with the 278 first game in route to a fine singles scratch series of 669.

For the last few year's we have allowed non-bowlers, those without a sanctioned league book average, to bowl with their tournament average instead of the customary 150 (135 for ladies) average. Those entering as non-bowlers have the opportunity to bowl with their tournament average for

any games bowled dating back to 2005. Doing so, has allowed all bowlers to compete in the true sense of sportsmanship. It has even allowed Linnie Kass and Shanna Bolotte, Fr. John LeBlanc Council 12245, Franklinton, to compete even though they are both confined to wheelchairs.

If you haven't seen them yet, the final results for this year's tournament can be found on our state's website, www.louisianakc.org. They are located on the council activities page.

Again, I hope everyone enjoyed themselves and I look forward to seeing everyone a year from now. The 75th edition of our tournament will head west to Lake Charles and Petro Bowl. The last time the tournament was held there was in 2002, so we are looking forward to returning to the southwest corner of the state. The dates of the tournament will be August 15th-16th and 22nd-23rd.

“A goal without a plan is just a wish.” Anonymous

“By failing to prepare, you are preparing to fail.” Benjamin Franklin

“It takes as much energy to wish as it does to plan.” Eleanor Roosevelt

“The secret of getting ahead is getting started!” Mark Twain

“Tomorrow becomes never. No matter how small the task, take the first step now.” Tim Ferriss

These are just a few quotes about **planning and procrastination**. Whether at school, work, or just everyday life, we all have tasks we must complete. We all have our *honey-do lists*. But how do we complete those tasks or those lists? One of the greatest ways to achieve success is to plan. Proper planning always prevents poor performance.

However, having a proper plan and not getting started is just as bad as not having a plan at all. The early 19th century writer William Ward laid out four Steps to Achievement. ***Plan purposefully. Prepare prayerfully. Proceed positively. Pursue persistently.***

I would like to ask all my brothers to apply these four steps to achievement when creating their plan for meeting intake quota. Every council out there is tasked with making Star Council. A huge task, one that may have never been achieved by your council before, but none the less, one that can be achieved. Applying the four Steps to Achievement will help you attain this goal.

So, we must ***plan purposefully***. This means identify your quota, identify your targets (future brothers), and lay out a proper plan to make this happen. Remember, every program we undertake is a recruiting opportunity. Don't let any opportunity pass you by without having a plan to recruit.

Next up is ***prepare prayerfully!*** As Catholics, we know that all success comes from God and that we must ask for his guidance and approval for everything we do.

After we lay out our plan, we must ***proceed positively***. This means we must never let excuses or failures stand in our way. Never get

frustrated if things don't work out as planned. Remember, your well thought-out plan contained contingencies for a few setbacks.

Remain positive through it all, and then ***pursue persistently***. Never let your targets (future brothers) out of your sights! Never give up! Plod persistently through your plan, and success will inevitably be yours!

Maryhill Renewal Center, founded in 1948 by the Most Reverend Charles P. Greco, D.D., Bishop of the Catholic Diocese of Alexandria, Louisiana, is now under the leadership of the Most Reverend David Talley, D.D.

Easily accessible from major highways, Maryhill is located just northeast of Alexandria, Louisiana. The Center's personalized hospitality and gentle ambiance year-round are accentuated by 186 acres of pine forest with walking paths and stocked lake.

Southside accommodations provide 44 rooms, each with a double bed and private bath, along with two partly handicapped-accessible rooms, each with a single bed and private bath. Also on the Southside are two chapels, a dining hall, and comfortable meeting space for groups numbering from 4 to 80.

Northside overnight accommodations include 5 dormitory-style sleeping cabins with a total of 80 beds, and the Cedar Building, which consists of 12 rooms, each with 2 single beds and a private shower.

Also on the Northside of the lake is the Youth Ministry Center which consists of a meeting room that will seat up to 200 persons, a full commercial kitchen, dining rooms and a pavilion with picnic tables and a barbeque pit. The Northside has its own chapel and, depending on the season, a group can use the in-ground swimming pool and bathhouse.

Directed—Provides time for prayer, solitude and guidance from a personal Spiritual Director. This retreat calls for a willingness to discuss one's prayer experience with the Director. Except for the daily meeting with the Director, the time is spent in silence.

Preached—Offers two or three daily conferences, Mass, common prayer, and the opportunity to celebrate the sacrament of Reconciliation. The atmosphere is relaxed, casual and prayerful.

This is a directed retreat led by Fr. Chad Partain. Ample time is provided for individual reflection. (This is NOT a silent retreat.)

Join with Brother Knights from around the state and enjoy fraternity, prayer, daily Mass and learn more about our faith. Bring your Rosary and take the opportunity to celebrate the sacrament of Reconciliation. The atmosphere is relaxed, casual and prayerful.

All information is included in the registration form below, including a return address. Include a \$25 DEPOSIT to hold your space. Each individual is responsible for their registration and deposit.

Please note, everyone will need to bring their own towels and toiletries.
