

FIRST DEGREE EXEMPLIFICATION SCHEDULE

July 1, 2017 - JUNE 30, 2018

To achieve council, district and Orderwide goals, the Supreme Council has recommended an average one (1) First Degree exemplification per district each month during the next six-month period. As soon as possible after your district membership meeting, each district deputy should meet with the grand knights and membership directors in his district to schedule First Degrees. After definite dates for these First Degree exemplifications are established in the district, the district deputy must complete this report and submit it to the state deputy and state membership director.
