Exclusions and Exemptions for Nonprofit Organizations

The sales and use taxes imposed by the State of Louisiana do not apply to sales of tangible personal property at, or admission charges for, outside gate admissions to or parking fees associated with event(s) sponsored by domestic, civic, educational, historical, charitable, fraternal or religious organizations. In order to qualify for the exemption, the organization must be a domestic nonprofit organization that is exempt under the Internal Revenue Code and the entire proceeds (except for necessary related expenses) are used for educational, charitable, religious, or historical restoration purposes or to further the organization's stated purpose.

The exemption does not apply to any event(s) intended to yield a profit to a promoter (individual or business) whose agreement with the nonprofit organization entitles the promoter to share in the gross proceeds of the event.

Any organization that endorses any candidate for political office or is otherwise involved in political activities is not eligible for the exemption.

This exemption does not exempt any organization or activity from the payment of sales or use taxes required by law to be made on purchases made by the organization. Also, this exemption does not exempt regular commercial ventures of any type such as bookstores, restaurants, gift shops, commercial flea markets, and similar activities that are sponsored by a qualifying organization that would be in competition with retail merchants.

The sponsorship of any event(s) by any organization applying for an exemption must be genuine. Sponsorship will not be considered genuine in any case in which exemption from taxation is a major consideration leading to the sponsorship.

Louisiana Revised Statute 47:305.14 allows a non-profit organization to apply for a fundraising event exemption on an annual basis. Please include all fundraising event(s) planned for the year. If there is more than one event, then use the supplement sheet for the additional events. Use as many supplement sheets as needed. If there is an additional fundraising event not included the original application, then submit a supplement sheet describing the new fundraising event along with the original fundraising event exemption application. All applications must be submitted at least thirty days before the first fundraising event to allow time for processing.

If approved, the nonprofit organization must inform vendors participating in the nonprofit event that state sales tax must be collected and remitted on all taxable transactions that occur during the event. If approved, the exemption certificate is only valid for the period and events listed in this application.

If the Department of Revenue denies tax exempt status under this statute, the organization may appeal the ruling to the Louisiana Board of Tax Appeals. The Board of Tax Appeals may overrule the Department and grant tax exempt status after a determination that the denial of tax exempt status was arbitrary, capricious, or unreasonable.
