My Brother Knights and their families:

Thanks to my brother knights and their families that helped make the Palm Sunday procession, breakfast and picnic a great success. Also thanks for the Civic Appreciation Family Social. Your help and participation made these events special for all. Another family picnic is planned for June and I hope you and your family will participate.

Nomination of officers will take place at the May meeting. Consider taking an officer or a directorship. Vivat Jesus,

### HELP IS NEEDED

Time is getting close to the end of this Columbian Year. We have not made our membership quota as of now. We have approximately two (2) more months. Without your help, I don't see us reaching our goal of 16 new members.

The first Degrees are held the 4<sup>th</sup> Monday of each month. The admission board is held at 6:30pm before each meeting.

Please help me keep the members we have in the council by paying your dues. Let's not lose any existing members because of non-payment of dues. If for some reason, you can't afford the dues, please see me, Mike Arnold or the Grand Knight. Please do not let your pride get in the way.

Membership Director, Kenneth M. LeBlanc

**Family Life – Lynn & Duana Boudreaux 341-9162**

May 20<sup>th</sup> is our next Family Social starting at 7:30pm. Please come and share a good meal and enjoy the company of your fellow knights and their families.

**Financial Secretary-Michael Arnold, Jr. 367-3892**

Brothers, dues for the second quarter are now past due. If you cannot afford your dues at this time, please contact either the Grand Knight or myself. We still have a few brothers who have not paid any dues at this time and will be suspended by the 15<sup>th</sup> if we do not receive payment before that date. Upon hearing of the death of a brother member, please contact me so proper arrangements can be made. Also, as we approach May we have young men graduating from high school. If you know of a good Catholic man, invite him to join our Council. Please note: At our May meeting we will be nominating brothers for office starting in June. If you intend to run, please remember that you must be a third degree member and your dues current and kept up to date to hold office.

**Field Agent – Chris Dufrene 504-689-8032**

Studies have shown that life insurance is often a misunderstood product. Worse still, people are unsure where to find information on these products or are afraid to ask. As a member of this Order, you have access to me, a full-time professional life insurance agent. A large part of my role as field agent is to answer your questions and help make sure you and your family are protected.

To start, I want to give some basic information on life insurance. For some of you, this may be a refresher course, but for many a little knowledge might open your eyes.

There are two basic types of life insurance coverage: term and whole life. Term, as the name implies, covers an insured for a specific period of time. Some liken this to “renting” life insurance. In the term or “rental” period, the policy holder remains covered as long as premiums are paid. When that term expires, so does the coverage. A new policy can be purchased, but it’s most likely the rates will increase (the policy holder isn’t as young as when the first policy was obtained) and it is possible the applicant cannot be insured anymore due to health issues. If you find that term covers your immediate needs, my advice would be to establish a plan to convert that term to whole life over time.

While term insurance certainly has a place in a balanced portfolio, whole life has many advantages not offered by term. First, the coverage in place continues after the payment of premiums has stopped. Some payment periods last 10 or 20 years. A Single Premium Whole Life policy asks that you make only one payment to attain lifelong coverage. The plan you choose is based on your goals and budget, of course, but there is one that will fit these needs.

A second major advantage of whole life is the accumulation of cash values in the policy and potential for dividends. To discuss these more, and all the plans and options available to you, please contact me today.

Contact me and let me help you with your insurance needs. Chris Dufrene 689-8032

**Family Picnic – June 5<sup>th</sup> @ Chevron’s Orrico Park**

**WOW!** Did you take part in any of the wonderful Palm Sunday events our council sponsored? If so, Vivat Jesus, and if not you are not completely out of luck. We ended that day with a preeminent picnic complete with fantastic food, beaming bunny, super duper space walks, great games for young and old and fellowship with friends and family. On Sunday June 5<sup>th</sup> we are having another picnic at Chevron’s Orrico Park in Belle Chasse. Orrico Park has a huge pavilion, computerized water play area, beach volleyball, rubberized basketball / tennis court, large kitchen, two kiddie play grounds, soft freeze ice cream machine and matching his and hers three seater restrooms (no waiting). Drive through Belle Chasse and it is on the left 1.9 miles past the Blue Angel Jet in front of the Air Station and about ½ mile past the Chevron Chemical Plant also on the left. If you know any one that may be interested in joining the Knights, invite them and their families as this is a perfect opportunity to recruit.
