Grand Knight, Troy Dendinger 324-8078

My Brother Knights and their families:

As this Columbian year comes to a close, I would like to thank all my brother knights for the help and support you provided to me as Grand Knight this past year. I would also like to thank the Ladies Auxiliary for their help and support to me and the Council.

Nomination of officers will take place at the June 1st meeting. Consider taking an office or a directorship. The Knights of Columbus is such a great organization for bringing us closer to our Catholic faith and making lasting friendships with our fellow knights. Getting involved adds the next dimension to the principles of our order. Please come out and vote and be a part of our brotherhood.

Vivat Jesus,
Troy Dendinger

The odds of becoming disabled at any given moment are four to 16 times greater than dying.

Three out of 10 Americans entering the workforce today will become disabled before they retire. More than one of every five will be disabled for five years or more during their working careers. More than one in 10 currently has a disability that is

interrupting their income. But less than 1% are protected from that loss by adequate savings, private insurance or government programs. About 60% of all personal bankruptcies stem from the inability to pay medical expenses.

These alarming stats are provided by the Council for Disability Awareness (CDA), the Social Security Administration, the National Association of Insurance Commissioners and other knowledgeable sources.

To meet this need, Knights of Columbus Insurance now offers disability income protection – Income Armor. If you are interested, and between the ages of 18 to 61, contact me, Chris Dufrene at 689-8032

ASK

Last year was a great year; however, we were still 5 members shy of our goal of 16 new members. With your help we can make our goal for this new Columbian year.

I challenge each member to ask one person to join our Council. You can either get a **yes** or **no** answer and you just might be surprised at what they answer. They just may have needed to be **ASKED.**

The First Degrees are held the 4th Monday of each month. The admission board is held at 6:30pm before each meeting.
