## Grand Knight's Report

My Brother Knights:

Time is a valuable commodity. There is never enough of it. We hear this all too often when we try to recruit our friends & family to join our Order. We say it all too often when we don't want to step out of our comfort zone and try something new.

The words frustrate us when we hear them and comfort us when we say them. They are a mechanism of defense. It is a vicious cycle fueled by fear, anxiety & complacency.

John Fitzgerald Kennedy once said, "**We must use time as a tool, not as a crutch.**" His words are sobering when you consider how much he did in only 46 short years on Earth.

We, as Knights, live by the mantra, "**Tempus Fugit, Memento Mori**". We know our time here is short. So, I ask you, how do you want to spend those short moments you have here? Making a difference or avoiding new experiences?

In the Gospel of Matthew, Jesus encourages Peter to **step out of the boat**. Despite his fear, Peter does so. When he begins to sink, Jesus stretches out his hand and saves him, just as he will save us when we are frightened and overwhelmed.

When your plate becomes too full, God will give you another plate. I challenge each of you to **step out of the boat**. We can combat complacency in those around us by our examples of charity & good works. Volunteer for a council function or committee. Serve in lay-ministry (Ushers, lectors, altar servers, etc). Go visit a friend or relative you haven't seen in a while. Recruit a new member.

**Take time. Make time. Make a difference!**

**I am Knights of Columbus!**

**Vivat Jesus!**

### DAD, Can I borrow \$25?

A man came home from work late, tired and irritated, to find his 5-year old son waiting for him at the door.

SON: 'Daddy, may I ask you a question?'

DAD: 'Yeah sure, what it is?' replied the man.

SON: 'Daddy, how much do you make an hour?'

DAD: 'That's none of your business. Why do you ask such a thing?' the man said angrily.

SON: 'I just want to know. Please tell me, how much do you make an hour?'

DAD: 'If you must know, I make \$50 an hour.'

SON: 'Oh,' the little boy replied, with his head down.

SON: 'Daddy, may I please borrow \$25?'

The father was furious, 'If the only reason you asked that is so you can borrow some money to buy a silly toy or some other nonsense, then you march yourself straight to your room and go to bed. Think about why you are being so selfish. I don't work hard everyday for such childish frivolity's.' The little boy quietly went to his room and shut the door.

The man sat down and started to get even angrier about the little boy's questions. How dare he ask such questions only to get some money? After about an hour or so, the man had calmed down, and started to think: Maybe there was something he really needed to buy with that \$25.00 and he really didn't ask for money very often. The man went to the door of the little boy's room and opened the door. 'Are you asleep, son?' He asked. 'No daddy, I'm awake,' replied the boy. 'I've been thinking, maybe I was too hard on you earlier' said the man. 'It's been a long day and I took out my aggravation on you. Here's the \$25 you asked for.'

The little boy sat straight up, smiling. 'Oh, thank you daddy!' He yelled. Then, reaching under his pillow he pulled out some crumpled up bills. The man saw that the boy already had money, started to get angry again. The little boy slowly counted out his money, and then looked up at his father. 'Why do you want more money if you already have some?' the father grumbled. Because I didn't have enough, but now I do,' the little boy replied. 'Daddy, I have \$50 now. Can I buy an hour of your time? Please come home early tomorrow. I would like to have dinner with you.'

The father was crushed. He put his arms around his little son, and he begged for his forgiveness. It's just a short reminder to all of you working so hard in life. We should not let time slip through our fingers without having spent some time with those who really matter to us, those close to our hearts. Do remember to share that \$50 worth of your time with someone you love.

If we die tomorrow, the company that we are working for could easily replace us in a matter of hours. But the family & friends we leave behind will feel the loss for the rest of their lives.

Gracious speech is like clover honey-  
good taste to the soul, quick energy for the  
body.
