Brothers ...I hope that you have experienced a Blessed and Joyous Christmas with your Families and pray that God has blessed you with a renewal of the Holy Spirit to continue this Columbian year with new vigor and excitement to implement his good works through the Knights of Columbus. We as Knights are “*United in Spirit*” and will achieve many great accomplishments together this year.

“*Tempus Fugit*”, time flies, is truly a phrase we need to keep in our minds as it seems to be only a short time ago since we have begun this Columbian year, but here we are with half of the year gone already. We have accomplished many things this year and are on target to complete many more before the end of the Columbian year. It is time for all of us to revisit our goals and objectives (in both our personal lives and our Knights of Columbus family) and determine if we are meeting those goals and objectives or need to make adjustments to accomplish our targets and commitments.

Membership Recruitment and Retention are the keys to the future of our Order. The Knights of Columbus is for Men of all ages (Young and Experienced). We need to extend an offer of Membership to every eligible Catholic Man, 18 years and older. We should embrace

our Brothers in a Fraternal Spirit, “*United in Spirit*” to make all our Brothers welcome and motivated to participate in our Council and State Activities. Let us all commit to this as a New Year’s Resolution to do a better job in recruitment and retention of our Brother Knights. Make sure your communities are aware of your Council’s activities, publicize your activities and use every event as a recruitment and retention opportunity.

January is a busy month. This month we have many Knights of Columbus activities planned. We have our KC Retreat, Florida Aid Disaster Relief Event, Major Degree, Grand Knights Day, State Gumbo Cook-Off, Right to Life Marches and many more. Be active, participate in these events, exhibit Fraternalism with your Brother Knights to demonstrate that we are “*United in Spirit*”.

Grand Knight’s Day is promising to be very informative, with some new announcements that will positively affect all Councils. Plan to attend, participate in the meeting and enjoy some great award winning gumbo.

Our Program Director, Mark Carver, has published semi-monthly State Program Newsletters that are interactive with links to all the information and forms that your Council needs to run successful Programs. I highly recommend you review and use these published State Program Newsletters. This tool can be the key to achieving Star Council this year.

We are utilizing our State Website as the Central Point for the collection and distribution of information, forms, contact information, schedules and upcoming events. Please use this resource as a starting point for search of information needed to conduct KC activities.

You ever watch *The Godfather* movie? Michael Corleone, the infamous mob boss, says that he learned one thing from his father. “Keep your friends close and your enemies closer.” It makes you think, “How do you treat your friends? What about your enemies? What about everyone in between?”

There is a scene in one Gospel in which there is a dinner party that Jesus had been invited to by a “prominent Pharisee.” It’s sort of like the ranking of bishops – it’s someone who is more advanced in the Pharisaical leadership structure. So likely he didn’t live in a modest town house in Jerusalem but rather he likely occupied a ritzy, large home. Lots were invited, and it’s likely this is the hottest ticket in town.

The question is why was Jesus invited? He surely wasn’t popular among the Pharisees! It surely wasn’t out of love, but we really don’t know the motive. Maybe it was born out of social necessity – the host really didn’t want to invite him, but given his popularity, etiquette demanded that they not snub this new rabbi. There may have been some vanity too – Jesus’ star rising would be a feather in the social cap. I tend to be a little more cynical, and I think they were setting Jesus up. After all, the

I want to wish a belated Merry Christmas and Happy New Year to all of my Brother Knights, families and friends. Thank you for extending your blessing by donating to the Youth Expansion Program. Remember that the Youth Expansion Program is an effective essential tool for the educational and financial support of the youths and seminarians in Louisiana.

Our goal for this Columbian year is \$112,100.00. Thus far we have collected a total of \$27,664.00; this leaves us with a balance of \$84,436.00 to collect by the end of this Columbian year. I challenge each one of you to help me raise enough money to support the youth expansion program of Louisiana and surpass the great job you did last year.

Below is the budget for the 2018-2019 Youth Expansion Program:

Catholic Youth Leadership Award \$30,000; Archdiocese Student Centers \$14,000; St. Mary's Training Center \$4,300; Free Throw Competition \$3,500; Soccer Challenge \$2,500; Seminarian Support \$15,000; Columbian Squires \$8,000; Fund Raiser Expense \$300; State Council Media Expense \$500; Audit Expense \$4,100; IT Service Charges \$1,300; State Directors and Chairmen \$1,100; Misc Youth Programs \$7,000; Total New Programs \$8,000; Pro-Life Camp \$10,000; Miscellaneous Donations \$3,000

Good Works, Programs, and Awards

Preach the Gospel, and when necessary use words. Actions speak louder than words. Put your faith in action. Faith without works is dead. These statements describe how we should live out our commitment to the Catholic faith.

The Knights of Columbus' Faith in Action program provide you and your council with information to help you implement recommended programs and create your own unique programs that will help your members to live out their commitment to the Catholic faith and their desire to serve their family, parish and community. Your council's programs give members the opportunity to demonstrate their faith by their good works. Thus, our programs serve a much greater purpose than merely the ability to check a box on a grading form at the end of the year.

But awards do serve a valuable purpose. Awards help sustain and increase council morale and recognize the great work of the council. Awards also demonstrate to your parish and community that your council has achieved and met the important standards established by the Supreme Council. To recognize your programs and good works, Supreme has established the Columbian Award and Star Council Award.

To earn the Star Council Award, the council must satisfy these four requirements by June 30, 2019:

- (1) Pay Supreme Per-Capita;

I would like to wish everyone a belated Merry Christmas and Happy New Year. We are halfway through the fraternal year and time is dwindling to complete your programs for the State Deputy Award. For this, we have only 3 months.

Under the Faith Program I can happily report that all the programs are still available to you to participate in. But you must act soon so you can score that 200 points on the Faith State Scoring form. Please don't forget to submit a State Council Service Program entry form which details your best program under the Faith Category. And remember that this form cannot be submitted online. It must be mailed to the State Office.

Thank you for all you do for the Knights of Columbus and I look forward to visiting with you at GK day in Lafayette, January 26.

Scripture says they were "observing him carefully." Perhaps their strategy was to get cozy with him, make him relax and let his guard down. Maybe, just maybe, he might reveal something he shouldn't, and they could use it against him.

When the butler rings the bell for the meal to start, Jesus takes note of the jostling that begins as guest after guest angles his way toward the host's chair. Jesus tells them just sit in the back. It's the humble way to go at life, and if the host asks you to move up, you have nothing to be ashamed of. I wonder if people blushed and just plopped into the seat closest to him. But he doesn't stop there. He criticizes the guest list and instead tells the host he should invite the poor, the blind and the crippled. So much for a dinner party! I'm sure everyone wants to leave quickly.

C.S. Lewis once mused that perhaps in the end the people who end up in hell get there not because God sent them but rather by their own choosing. If someone lives his whole life without ever once being willing to say to God, "Your will be done," perhaps the day will come when by virtue of that choice God will say to that person, "Very well, then, YOUR will be done." You've wanted no part of me and so that is the way it will stay too!

We don't know how the dinner party ended, but we get the feeling that the guest didn't say, "Come again!" In fact, in the rest of Luke's Gospel, Jesus is never invited anywhere by a Pharisee. Instead, he goes to other parties, invited by tax collectors and sinners, and he is condemned for doing so.

So back to the original question. How do you treat your friends? Your enemies? Or what about the people in the middle? What kind of people are *your* people? The poor, the forgotten, those who need a little extra help – these are our neighbors! And if we're not serving them, maybe it's time to break our social etiquette! Isn't that what our Fraternal Order is really all about?

Happy New Year!

This year's Mental Disability Fund Drive is off to a great start. I would like to thank all the councils that have participated in the tootsie roll drive this year. I truly hope that each council has had a great fund raiser so far this year.

I know for many K.C. Councils, tootsie roll drives are not always the most effective way for your Mental Disability Fund Drive to be successful and you have chosen different fund raisers to help Our Lord's special people. I pray that your fund raisers will have a great success, and for councils that have not yet had their fund raisers, you have till March to hold one and help many needy people in your own hometown by the monies you raise for the Mental Disability Fund.

The theme for this fraternal year's state convention is **"WE'RE ON A MISSION FROM GOD"**.

The Convention this year will again be held in Baton Rouge on May 3 -5, 2019 at the Crowne Plaza. It is every council's responsibility to send at least 2 delegates to the State convention. This is the time for you to give your vote on business items and the Brother Knights you wish to lead your State Council for the next year.

This year we have added the band, "Na Na Sha" for your entertainment after the banquet and continuing with our State Deputy hospitality room for all to have a good time and visit with your Brothers from across the State. We will have the children's entertainment on Saturday, so feel free to bring your whole family to enjoy the weekend. Also, again this year we will be having a Baby Shower Collection drive to benefit the local Crisis Pregnancy Center.

We will start the weekend off on Friday with our Convention four man golf scramble at the LSU golf course for all the golfers. Also again this year for ALL you bowlers we are having a singles "NO TAP" Bowling Tournament at Circle Bowl. Then we will have our annual Memorial

your councils will make out your own checks to your beneficiaries. Brothers your councils will be on the honor system with M.D.F. just like the councils have been on the honor system for all activities that they do all year, and record your **MDF TO-TALS** on your **Life Grading Form**. If councils leave that section blank, or if we do not receive the grading form on time, then your hard work for M.D.F. will not count toward state points, so please fill that grading form out, and send it in on time.

I will still require each council send me the Financial Statement Report Form instead of to the State Office. I am always interested in seeing where your hard work and monies go to, and in turn I can help by mentioning to other councils where they may be able to send their funds to in their area. This will also aid me in tabulating all councils, and determine which councils in each group win their respective group for the awards at State Convention. If you need a financial report form you can get one from the State Web-Site or e-mail me and I will send you one.

I want to thank the councils who have also chosen to make St. Mary's a part of one of your beneficiaries. The fifteen new group homes are soon to be a reality for every child at St. Mary's, please continue to support our Special Children of St. Mary's.

My Brothers I thank you for your continued support, and have a successful M.D.F. Campaign, and if you ever have any questions or concerns, please contact me.

in the planning stages. The theme of the 2019 State Convention is “*We are on a Mission from God*”. The State Event Coordinator and State Warden, Vince Whittington, is planning a great weekend of Entertainment and Fraternalism at the State Convention with a Dance Band for us all to enjoy. Please join me in making plans to attend the State Convention in May.

The 4th Degree Master, Don Ducote, and I have been working closely together in support of mutual objectives to unify the 3rd and 4th Degree as one Knights of Columbus organization. We are both committed to address the challenges ahead in a unified manner to make the Knights of Columbus Order stronger and a more effective Organization.

The State of Louisiana has been blessed this year to avoid a significant disaster. The Charity of our Councils have been directed to other States in the form of funds donated, supplies and services where disasters have devastated property and life. Louisiana Charity has reached from Hawaii, to the Carolinas and Florida over the past six months. Donations from Individuals, Councils and the State Council are very much appreciated to help those in need who have been affected through disasters.

On behalf of the State Council, I would like to thank all those Leadership Positions, Members, Councils and Assemblies for the commitment, dedication and contributions in time, treasure, sacrifice and prayer that has been dedicated to the initiatives, goals and objectives of the Knights of Columbus. We are truly “*United in Spirit*”.

Brothers here are some updates on St. Mary's that you will find very interesting, and will make you glad that we are a part of St. Mary's love and growth.

St. Mary's new Group Homes Construction is well underway, and ahead of schedule. Brothers since October of this year as of this date all fifteen homes are under construction. Mrs. Christi Guillot, the Administrator for St. Mary's said if the weather stays in favor of construction six homes maybe ready to be occupied by the end of this year, and the remainder finished by June of 2019. I assure you that the additions of the fifteen group homes will enrich the quality of life for 126 residents that are now living in open dormitory style living. Brothers some of these residents have never had a room of their own, what a Blessing this will be, and thanks to your charitable donations to St. Mary's you and your councils are helping make this become reality. Brothers let us continue to support St. Mary's with our love and great charitable donations for our special children of God, and St. Mary's.

I truly pray that the visit from the Supreme Representative Brother Jim Tebo will be fruitful for St. Mary's. In September we had a wonderful tour with him at St. Mary's and Brother Tim took many pictures and notes. I will update you on any results that come from this tour. Brothers, as St. Mary's State Chairman, and also a Board Member of St. Mary's, your love for these special children, and your donations are truly enriching the lives of these special chil-

dren, and the St. Mary's Administration is in awe with your continued support.

Brothers, I will update you on the group homes hopefully before I go to my next board meeting in February, but rest assured the construction is ongoing, and we will succeed to have all children in homes by June of 2019.

Brothers I personally want to thank each and every one of you and your councils for your support for St. Mary's. I can promise you that your donations do make a difference in each one of these special children of God's lives each and every day.

Father McGivney sought to strengthen the familial bond of father to mother and children to parents. His vision for family life was not only financial and material aid but also spiritual strength. The majority of our time is easily spent in secular circles unless we intentionally create ways to live the domestic church. These programs, created for families by families, help us to live this call.

Here is a list of the Family programs our councils need to participate in thru-out this 2018-2019 Fraternal Year to receive your points after assisting those in need.

Consecration to the Holy Family, Family Fully Alive, Family of the Month and Family of the Year, Family Prayer Night, Family Week, Food for Families, Good Friday Family Promotion and Keep Christ in Christmas. (Please do not get this confused with poster contest)

We have a new reporting form for the Family of the Month form 10668, please start using the new form and let's make sure we are getting them into Supreme prior to the 15th of each month. We are leading the way with approximately 52- 54 councils on an average reporting to Supreme.

By the 15th day of the month following recognition, complete and submit the Family of the Month Report Form (#10668). For example, the Report Form for the September Family of the Month should be submitted by October 15.

At the end of the fraternal year, complete the Fraternal Programs Report Form (#10784) and your Columbian Award Application (#SP-7)

For those of us as leaders, lets continue to correspond with our WGK's to ensure they are passing the word to our program chairmen and follow up with them in a timely manner. Remember the world is a busy place for all and a reminder could always be used.

We would like to continue to encourage all Brother Knights throughout the state who have children in a Catholic School to consider enrolling in our Catholic School Tuition Assistance Program. There is no cost for enrolling in this program, however we do ask each Brother Knight to complete a document when enrolling in this program. Any children of a Brother Knight who are in grades Pre-K-12 grades are eligible to enroll in this program.

During October we conducted our first drawing and we awarded financial assistance to the first four winners. We will conduct three more drawings during the year and on each date, we will draw four more lucky winners. Our next drawing will occur during Grand Knights Day on January 26, 2019, then our third drawing will occur on April 7, 2019, and our final drawing will occur on July 20, 2019. Finally, starting on July 1, 2019, we will begin to accept new applications for drawings that will occur during the 2019-20 fraternal year. Each winner will receive \$500 in Tuition Assistance.

These applications can be found at our state website at www.louisianakc.org. Scroll down to the bottom right corner of the opening page and click on the "Catholic School Tuition Lottery" button.

Each Council should start planning their Knights of Columbus Free Throw

Contest very soon. We encourage councils to consult with public and catholic schools to determine if their councils can try to conduct their Free Throw Contest during the school's PE classes. In addition, there may be other sources that Councils can use to promote this program-for example, youth organizations, youth basketball leagues, and asking schools in our area to allow Councils to hang posters and make announcements within their schools. Remember each contestant competes in his or her age group according to their age as of January 1st. All Councils are asked to complete their Council Free Throw Contest before January 31, 2019.

Our State Website has all the documents and forms a Council would need to conduct our State Substance Abuse Poster Contest. If any Council still has old program kits, you are welcome to use the entry forms and other materials in these kits. However please remember, since this is no longer a Supreme Program the Supreme Council is no longer publishing these program kits for this program. In this program all posters should be 11x17 inch poster. All posters must reflect either on Drug Abuse and Awareness or Alcohol Abuse and Awareness. Each Contestant is eligible to submit only one entry. There are four categories in this program that include: 8-11-Year-Old Alcohol Abuse, 12-14-Year-Old Alcohol Abuse, 8-11-Year old Drug Abuse and 12-14-Year-Old Drug Abuse and each Council and each Diocesan Administrator is eligible to one winning poster in each of these four categories.

We encourage all Councils to submit a copy of the participation forms of our youth related programs to our State Youth Chairman at dcforbes1@cox.net. [Those reports include your Soccer Challenge, Catholic Citizenship Essay Contest, Keep Christ in Christmas Poster Contest and the Substance Abuse Poster Contest.](#)

In Mid-October, The Ascension of Our Lord, Knights of Columbus, Council 9623 traveled to The Hurricane Michael affected areas of Florida, to cook hot meals for the Hurricane victims' families.

They traveled to St. Dominic's Catholic Church in Panama City and St. Thomas The Apostle Catholic Church in Quincy, Florida.

They cooked and handed out hot meals along with 2 U Haul trucks of donated supplies to the needy.

While in the affected areas of Florida, they witnessed the destructive force of Mother Nature and how blessed we were, that this monster storm did not affect Louisiana.

**Bishop Deshotel Dedicates
Bishop Jeanmard Marker**

Bishop Jules B. Jeanmard, installed in 1918 as first Bishop of Lafayette, was a native of Breaux Bridge, a small rural community near the see city of Lafayette. He came back to his native diocese after serving as Chancellor and Administrator of the Archdiocese of New Orleans.

Under Bishop Jeanmard's zeal and constructive planning, the spiritual life of the diocese was energized. Lay involvement in programs of Catholic action was stressed through religious instruction, spiritual conferences and retreats. Sodality, scouting and retreat movements encouraged the faith of youth of the diocese and promoted vocations to the priesthood and religious life.

In the young and growing diocese, institutions were needed to support and encourage various areas of Catholic life. Among those Bishop Jeanmard established were St. Mary's Children's Home and Immaculata Minor Seminary in Lafayette, retreat houses for men and women, and student centers at state-supported colleges.

Recognizing the value of modern communication techniques, he encouraged diocesan sponsorship of television programs, religious programs on radio in French and English, and a local diocesan newspaper (The Southwest Louisiana Register.)

Bishop Jeanmard issued pastoral letters defending the rights of labor to organize, and reminding voters and civil officials of their respective responsibilities.

In 1934, Bishop Jeanmard welcomed to the diocese the first black priests ordained by the Divine Word Missionaries. They were Fathers Anthony Bourges, Maurice Rousseve, Francis Wade, and Vincent Smith.

Bishop Jeanmard also established a number of separate church parishes for black Catholics for he believed this offered a better experience of active involvement with the church. With financial assistance from Mother Katharine Drexel, founder of

Youth Adult Development
julian.gluck@gmail.com**

From our Order's humble beginnings as a fraternal benefit society for mainly young Irish and Italian immigrants in 1882, the Knights of Columbus has grown immensely in

both scope and membership over the years. Today our organization provides an excellent opportunity for men of faith and action from diverse backgrounds to gather together--bound by both a love of neighbor and service to others. It has always been my belief that the breadth of our membership is one of our strongest assets, and this diversity among our brother knights can be particularly beneficial when recruiting and retaining young adults through the means of mentorship.

Similar in scope to networking but with an increased emphasis on personal and professional development, mentorship in your council and throughout the state and Order provides an attractive and no-cost benefit for young adults who are at the beginning stages of their

careers. In my own experience with the Knights beginning at the age of 18, I have found that the relationships forged with experienced and successful military officers and non-commissioned officers have been invaluable within the military community. Similarly, I have grown as a volunteer leader in many ways due to the encouragement, advice, and mentorship of many senior members from Supreme and our state leadership. Unity and fraternity are strong pillars, and as you bring prospective young adults into your council, these values can help establish and reinforce the foundation for a successful Knights experience.

Rather than just serving as a proposer for a prospective member and throwing him to the wolves after the first ceremonial, you should engage and communicate with a new member and his family. Be personally involved through invitations to KofC events, especially those involving direct volunteering for a cause outside of the standard meeting structure. Answer questions that he and his family may have about the Order and its activities and provide resources when applicable. If there is a young adult member working in or interested in a particular career, I would recommend linking him up with a more experienced member through the council or the Louisiana Knights of Columbus network who can serve as a mentor if he is interested.

Recently I had heard through a webinar from Supreme that a young man in the Knights started his law career by interning in another member's firm and then was eventually hired on full-time. I have been grateful to have brothers in our Order write letters of recommendation for me for various programs, and that was an entirely unexpected benefit of membership. Experiences like these make young members proud to be involved in a fraternal organization and show that in this modern era, a 19th century organization can have an incredible 21st century impact.
