Worthy Sirs;

In an effort to reduce the escalating cost of our Exemplifications, Please attach a **TYPE WRITTEN LIST** containing the **CORRECT SPELLING AND CORRECT NAME** to be printed on the exemplification certificate. The cost of any reprinting will be passed on to the individual Assemblies that fail to comply with this request. The cost of printing and postage is climbing and the mistakes are from illegible handwriting and incorrect names printed on the registration forms, PLEASE use the forms provided and TYPE all Information submitted.
