Our Installation Banquet was held on Saturday, June 23, 2012 and was lengthy as usual. District Deputy Robin Bourg was our installation officer. After he completed the reading of the procedures, he commented, "...if there was a hesitation during the reading of the procedures, it's because it was written in Boston and read by a Coon-ass from Dulac!" He did a great job as usual. Thank you Robin!

Congratulations to the Wayne Marcel family, who were awarded the plaque for 2012 Family of the Year.

The Knight of the Year is Richard Mike Naquin. Richard was also in charge of the meal and did a commendable job.

Thanks to all the Ladies and Knights who helped with the program, especially Kervin Voisin and Jean Naquin.

The council and auxiliary said goodbye to Father Mike at the installation banquet and again on Sunday with a small reception after 9:00 am mass. He will be sorely missed.

Vivat Jesus;

Hello ladies!

I want to thank all of you ladies who helped make our installation banquet & farewell reception for Fr. Mike a success. He was so tickled when he realized that our outfits matched our candles! There are so many things in our hearts we want to say to Fr. Mike but somehow verbalizing them is very difficult. I hope you all took the time to write in his Thank You book.

We will be welcoming our new priests July 1st at the 9 AM mass as well – we know it's hard losing such a charismatic 'character' as Fr. Mike, but we will do our best to make our new priests feel welcome. Also if you are available, we could really use your help to decorate for the 4th Degree on July 14th since it's on the same day as our state installation. Please call Anne if you can help out. Also, keep your ears open for our upcoming social this month – hope to see you there!

### Thank You To:

To those who brought goodies and/or helped with the bake sale and Knight's fundraiser

To those who brought refreshments to the meeting

To those who attended and helped with the Installation Banquet

To everyone who helped with Fr. Mike's farewell reception

Anyone who donated books/magazines for the hospital waiting rooms

Anyone who donated money or yarn for the knitted hats for cancer patients.

### **Four parts of retirement: Phase three**

My previous two articles discussed important steps that lead to retirement. But what happens once you reach that goal? You've got free time to pursue your interests, visit friends and family and relax. It's a beautiful thing indeed.

You've now entered the de-accumulation phase. You will start to spend down the assets you have accumulated during your working years. Remember: a 60-year-old man has a 20% chance of making it to 95! A 60-year-old woman has a 30% chance. And there is a 40% chance that at least one member of a married 60-year-old couple will make it to 95. That's a long time to live off of accumulated cash while you don't work. Save, save, save, so you will be able to de-accumulate.

As a Knight, you have access to a product that is designed to make saving safe and easy. Our annuity is designed to provide guaranteed long-term security. Consistent and disciplined savings placed into this annuity over time can provide income at retirement that you cannot outlive. With that guarantee comes the fact that no one has ever lost money put in a Knights of Columbus annuity

### **Four parts of retirement: Phase three** (continued:)

(remember, absolute safety of principal) and consider the value you are getting. Contributing money to an annuity can also have positive tax implications (always check with your tax professional on these matters). And our annuities offer a competitive interest rate, consistent with our primary goal of absolute safety of principal.

Take some time to meet with me and I will explain fully the benefits of selecting our annuity, along with the benefits of our top-rated life insurance, disability income and long term care insurance plans. As you consider options as you proceed toward retirement, think about one thing guaranteed to help you and open a Knights of Columbus annuity.

## *Words Of Praise*

Prayer is not a "spare wheel" that you pull out when in trouble; it is a "steering wheel" that directs us in the right path throughout life.

Do you know why a car's WINDSHIELD is so large & the rear view mirror is so small?

Because our PAST is not as important as our FUTURE. So, look ahead and move on.

Friendship is like a BOOK. It takes few seconds to burn, but it takes years to write.

When GOD solves your problems, you have faith in HIS abilities; when GOD doesn't solve your problems, HE has faith in your abilities.
