Things are looking up. Our July meeting was packed, not an empty chair. I pray that this continues! Our newly appointed Chaplain, Father Joseph Tregre, was in attendance toward the end and shared supper with us. Welcome, Fr. Joseph!

Michelle Pellegrin came before the Council and thanked the KC's for making it possible for her to attend Mercy Crew 2012. She said the experience enabled her to share her faith in God and learned a lot about herself.

KCLS (Knights of Columbus Leadership Seminar) is upon us again. Marvin Dupre, Louis Savoie and I will attend.

Vivat Jesus;

It's time for back to school again! It's time again for books, backpacks, busses and all the fun that goes with it. We pray that all children and young adults have a successful (and safe) school year. Of course, with the start of school, there is also the peak of hurricane season. If we are lucky and say a few prayers, maybe we will also have a quiet hurricane season. There are tracking booklets available by the doors at church; pick one up after mass. Thank you ladies for all you do to support your auxiliary and your knights. Without you, we cannot accomplish anything. Keep up the good work!!!

### **Four parts of retirement: Phase four**

Okay, if you've been following along in my articles, you've read about the first phases that lead to retirement. Protection and accumulation of savings are the first time, followed by de-accumulation of those funds while making them last.

The final phase is care. At some point, at some age (hopefully a very advanced age), you will need to slow down. You will no longer be able to care for yourself. At that point, you will need to have assets available to provide much needed care, either at home or in a care facility.

As you probably know, the cost of care continues to rise. I cannot quote you a number here (I could give you specific details in a face-to-face meeting), but the nationwide average grows by leaps and bounds. How do you plan to cover these costs? Government programs might not be available, or might require you to spend down your assets leaving your family with little.

The best way to handle the cost of care in the future is to plan ahead today. The Knights of Columbus offers long-term care insurance that can cover at home or facility care costs. And our product is backed by the financial strength of the Order. It has many benefits and our premiums are competitive with any other company.

The Knights of Columbus – the organization you trust – is in a position to help you with every phase. Life insurance, disability insurance, guaranteed retirement plans that turn into guaranteed income streams when you retire, and long term care. There is no reason to go elsewhere as you prepare for the four phases!

Contact me today to schedule a meeting.

## **The Repairman**

Wanda's dishwasher quit working so she called in a repairman. Since she had to go to work the next day, she told the repairman, "I'll leave the key under the mat. Fix the dishwasher, leave the bill on the counter, and I'll mail you a check. Oh, by the way don't worry about my dog Spike. He won't bother you."

"But, whatever you do, do NOT, under ANY circumstances, talk to my parrot!"

"I MUST STRESS TO YOU: **DO NOT** TALK TO MY PARROT!!!"

When the repairman arrived at Wanda's apartment the following day, he discovered the biggest, meanest looking dog he has ever seen. But, just as she had said, the dog just lay there on the carpet watching the repairman go about his work.

The parrot, however, drove him nuts the whole time with his incessant yelling, cursing and name calling.

Finally the repairman couldn't contain himself any longer and yelled,

**"Shut up, you stupid, ugly bird!"**

To which the parrot replied,

**"Get him, Spike!"**
