ANNUNZIATA KAYCEE

President's Notes September 2012

Hello ladies!

Bake/Taste contest! This is one of my favorite events of the year with the auxiliary! It is so much fun seeing the wonderful goodies everyone makes – we have some very talented bakers here at Annunziata. Remember, you can submit your entry even if you can't attend the meeting. Just drop off your baked goods at church (see rules above). If you happen to win your category, it will be submitted for the state meeting in November. Again, you do not have to be present, just bake your wonderful goodie again and we will submit it at the state meeting if you cannot attend. The meeting will be in Bayou Blue, so it will be easy to deliver. Good luck to all of our bakers!

Thank you ladies for all you do to support your auxiliary and your knights. Without you, we cannot accomplish anything. Keep up the good work!!! If you have any suggestions for charitable works or causes you would like the auxiliary to consider, please let us know! We are always looking for new ways to engage the community.

*Yours in Christ,
Jean Naquin

Funny Bone!!

A little girl, dressed in her Sunday best, was running as fast as she could, trying not to be late for Bible class. As she ran she prayed, 'Dear Lord, please don't let me be late! Dear Lord, please don't let me be late!'

While she was running and praying, she tripped on a curb and fell, getting her clothes dirty and tearing her dress. She got up, brushed herself off, and started running again! As she ran she once again began to pray, 'Dear Lord, please don't let me be late...But please don't shove me either!'

Reminder: Adoration of the Holy Eucharist Will be on Friday August 03 from 8:30 am – 12:00 Please make an effort to attend.

Raising Awareness About Life Insurance

Since 2003, each September has been designated as Life Insurance Awareness Month. Like most awareness-raising campaigns, Life Insurance Awareness Month was created because there is an overwhelming lack of understanding of the product among the general public. Each year, the Life Insurance Market Research Association puts out the results from a recent survey, and unfortunately, the numbers they report continue to be discouraging. A recent survey found that 76 percent of people polled did not have a personal financial advisor. Sixty-eight percent of that same survey group said their opinion of the current economic conditions was somewhat unfavorable or very unfavorable.

In other words, a majority of those surveyed were uncomfortable with the economy and the uncertainty it brings, yet they did not seek professional assistance. Maybe they spoke with their friends and family. Maybe they hoped the instability would go away on its own. Maybe they did not know to whom to turn.

If you fall into this category, please remember that as a member of the Knights of Columbus, you have a full-time, professional agent you can call your own. His primary responsibility is the care and service of your family's life insurance, retirement, disability income and long-term care needs. He will answer your questions because he wants your decisions to be informed ones. He wants to help.

Another LIMRA statistic said 43 percent of people did not buy life insurance because they worry about "making the wrong decision." Talk with your agent, and, afterwards, you'll understand that the only wrong decision was not protecting your family's future sooner.
