Our KC Business Meeting will be on February 7, 2013 this is a change. This is the first Thursday of the Month. This change is so our Knights can take their Ladies out for Valentine's Day. The meeting will also be an Awards Night. Knights are also reminded to bring your old award folders as I am running short.

With all of the parades and being so close to Ash Wednesday the knights have decided not to have a Valentine's Party this year. I would like to wish all of the ladies of our church parish a wonderful Valentine's Day.

We will have a first degree on February 26 this is the fourth Tuesday of the month. If you know anyone who wants to go through their first degree please contact me.

Vivat Jesus;

Thomas Guidroz

I hope everyone is keeping safe and warm this winter... seems that the days are chillier than normal ...I wish everyone has a safe and fun Mardi Gras season this year whether you watch the parades or not! Lent is just a few weeks away. As always, let's take some time to reflect upon our blessings and the sacrifices of our Lord for us. Maybe instead of giving up something for lent this year, you may want to try doing something for the church or your community.

*Yours in Christ,
Jean Naquin
President*

Ask eligible men to join

Today, I want to address the growth of the Order. Membership growth is the fuel that keeps this great fraternal engine running. All of our charitable works in the council, state, national and international level are thanks to our hard-working members.

We also recognize that the membership blitz is a tried and true way for councils to increase their numbers. We see these pushes often in March, in celebration of Founder's Day, and again in October. These drives are successful because brother Knights are more visible than normal, during and after Masses and at special events. We must remember to ask each and every Catholic gentleman to join our ranks for the good of the Church, the community and the Order.

During the rest of the year, we often "forget" to ask men to join our ranks and bring their families into the Knights of Columbus family. You probably know an eligible Catholic man you could ask today. Chances are that the only reason he hasn't joined already is because no one asked him.

When telling a prospect about the strengths of the Order, don't forget our greatest fraternal benefit: our insurance program. This is often an interesting "selling point" to a potential member who is on the fence. Many members come into the Knighthood simply to be able to buy coverage for their family. Soon after, they realize the good our charitable works do for their community and they are proud to be members.

As your professional Knights of Columbus insurance agent, I look forward to helping us grow in fraternity in any way that I can.

Two Ladies Talking in Heaven

1st woman: Hi, Wanda!

2nd woman: Hi, Sylvia! How'd you die?

1st woman: I froze to death.

2nd woman: How horrible!

1st woman: It wasn't so bad. After I quit shaking from the cold, I began to get warm & sleepy, and finally died a peaceful death. What about you?

2nd woman: I died of a massive heart attack. I suspected that my husband was cheating, so I came home early to catch him in the act. But instead, I found him all by himself in the den watching TV.

1st woman: So, what happened?

2nd woman: I was so sure there was another woman there somewhere that I started running all over the house looking. I ran up into the attic and searched, and down into the basement. Then I went through every closet and checked under all the beds. I kept this up until I had looked everywhere, and finally I became so exhausted that I just keeled over with a heart attack and died.

1st woman: Too bad you didn't look in the freezer---we'd both still be alive.
