Our Chaplain Fr. Joseph would like to especially invite the KC's to come out for the Catholicism Teaching Dvd Series on **Wednesday evening, June 12, 6:30 pm thru 8:00 pm**. The topic of the night is "**World Without End: The Last Things**".

This would be a great opportunity for the Knights to experience the movie theater experience we have in the Cafeteria. We will hopefully have future Dvd teaching series in the Cafeteria.

# NOTICE!!!! KNIGHTS OF COLUMBUS INSURANCE

## Only having “through work” insurance doesn’t work

Do you know anyone whose life or career has been drastically changed during these years of economic downturn? It’s very likely that someone in your immediate or extended family or group of friends is facing financial uncertainty now. Maybe there’s a possibility that you (or your spouse) could lose your job or change employers.

Too many people have often relied on group term life insurance as their only safety net. Often, this insurance is an employee benefit provided at low or no cost. The existence of this coverage might convince someone that personally-owned life insurance is not necessary. Only having “through work” insurance can leave you and your family vulnerable. Most group life insurance policies are limited in amount, which may be tied to salary or some other benchmark. These numbers are often capped, and this cap may be dangerously low when compared to your family’s actual needs. In fact, without a detailed needs analysis, any employer-provided coverage will likely cause a shortfall at the insured’s death.

In addition, the amount of group insurance offered is almost always reduced, sometimes dramatically, when you retire. You could one day find yourself without coverage, and if your health has changed (which it will as you age), you might also find yourself unable to secure individual protection. It will definitely be more expensive.

While group life insurance can help, it does not replace the need for individually owned life insurance. I’ll be happy to meet with you and provide a no-cost needs analysis, so you’ll know exactly where you stand.

## Funny Bone!!

Boudreaux and Thibodaux were at the airport and they saw some people coming off a plane from Mexico. They heard one guy say to the other, "Wow, wasn't Cancun the greatest!"

Boudreaux and Thibodaux looked at each other rather puzzled. Another couple passed them and the man said, "Cancun is absolutely wonderful isn't it." His wife said, "It's the best!"

Boudreaux and Thibodaux looked at each other again, this time really confused. Finally a family comes off the plane and the child said, "I just love Cancun!"

Boudreaux turned to Thibodaux and said, "Ma, Thibodaux, we can make ourselves some money, yeah. If all them people love Cancun so much, think how much more they gonna love fresh coon!"
